Re: Final Districting of LHSAA Schools

At the third classification hearing on Wednesday, November 29, 2006, the districting plans for Classes B, 1A, 2A, 3A, 4A, and 5A received final approval and were adopted for the 2007-08 and 2008-09 school years by the LHSAA Executive Committee.

As you know, on November 15, 2006, the Executive Committee approved and adopted the final districting plan for Class C for the same years.

As a formality, the Executive Committee approved and adopted the entire classification and basic districting plan for the association, making it complete for the next two years.

Special districts for applicable boys' and girls' sports will be finalized and adopted at the 2006 LHSAA Annual Convention.

If you feel the classification process can be improved and have any recommendations, I encourage you to contact your executive committee members or me.

I want to commend my entire staff to the LHSAA membership for their assistance in the classification process.

My sincere thanks also go to the Executive Committee members for their efforts and input.

I also thank all LHSAA school representatives appearing and giving valuable input at the hearings.
