SUBJECT: LHSAA/COCA-COLA SCHOLARSHIP PROGRAM

Through the financial support of the Coca-Cola Bottling Company, one of our fine corporate partners, the LHSAA provides a college scholarship program for our student-athletes.

Coca-Cola will award two (2) \$1,500 scholarships: one (1) male and one (1) female student athletes.

Graduating senior student-athletes must have earned at least a 3.5GPA after seven (7) semesters of high school study and 24 ACT score.

The ideal candidate should possess desirable leadership qualities, displayed good citizenship throughout their school and community, have participated in non-athletic related school activities/organizations and have achieved non-athletic related school honors.

Enclosed is an outlined criteria of the scholarship program and application. All applications must be signed by the school's principal.

The LHSAA would like to thank Coca-Cola for undertaking this scholarship program and how it positively stresses the importance of academic excellence to our student-athletes.
