Article 8.7.1

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Changes

8.7 CLASSIFICATION CRITERIA

- 8.7.1 Once classified, a school may choose to compete for postseason play in any classification higher than that based on its October 1 enrollment certified to the LHSAA under the guidelines of Article 8.3-Enrollment Calculation. If a school chooses to compete for postseason play in any higher classification, it must do so in all sports. The declaration shall apply for the two-year classification intervals. The school shall make a written request to play in a higher classification no later than **48 hours prior to the 1st meeting noon on the day of the first classification meeting.**

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Once enrollment is confirmed, a school should know whether or not they would like to play in a higher classification. This would prevent last minute changes before the 1st classification meeting.

Pros: (Must have at least one)

Cons: (Must have at least one)

Allows for classification information to be generated prior to 1st meeting.

Doesn't allow a school to wait until day of meeting to submit.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.

- 1.2 OFFICIAL RULING REQUEST** - If a student's eligibility is in question, a principal may ask the Executive Director for an official ruling on the player's eligibility. All required information must be provided by the school **for all fall sports potential participants during weeks 5 through 11 of the NFHS calendar; for all winter sports potential participants during weeks 16 through 22 of the NFHS calendar and for all spring sports potential participants during weeks 27 through 33 of the NFHS calendar, which** at the time of the request and shall be true and accurate for a ruling request **is submitted** to be processed. Proposal to Amend Constitution or Bylaws

6

Date: 08/31/21

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Mickey McCarty	Mickey C. McCarty	Neville

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution

☒ Administrative Bylaws

☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 1.22.1 (3)

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

3. ~~Once a seventh (7th) and eighth (8th) grade student is registered and submitted on the member website, the Student shall have established eligibility at the member school and has made his/her school of first choice and may not get another choice upon entering high school and a subsequent transfer to another member school without a corresponding bona fide move shall cause the student to become ineligible until he/she has been in attendance at the school for one calendar year.~~

3. Students who attend schools with shared attendance zones regardless of being registered with a member school as 7th or 8th graders, shall make their school of choice as 9th graders and are immediately eligible at that school of first choice.

Please list ALL bylaws and/or articles that are affected by this amendment:

1.22

Explanation of proposed amendment(s):

We share a school zone with a select school that can allow 7th and 8th graders from our feeder school, who cannot play varsity sports at our school as they are on a separate campus, to enroll and have immediate eligibility at the select school as 9th graders. Students who attend 7th and 8th grade at the private school and who are registered by that member school as varsity athletes, are ineligible for one year if they enroll in our school as 9th graders. We feel that students should make their high school of choice as 9th graders.

Pros: (Must have at least one)

Gives students/parents the opportunity to make a choice of high schools as 9th graders, and not make that choice at the younger age and grade.

Cons: (Must have at least one)

This may or may not cause issues in some circumstances where schools share a school zone, but again, it would give the students/parents the choice as 9th graders.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.

1.26.13 In cases involving the eight consecutive semesters rule (Bylaw 1.4), a current, official copy of the student's cumulative folder showing all scholastic and attendance data since entry into the 9th grade for the first time shall be attached to the appeal. A request for an additional semester(s) of eligibility because of academic remediation improvement and/or achievement alone shall not be a basis for waiving the eight consecutive semesters rule. When the eight consecutive semester rule is in question, the hardship application must be submitted during the 7th or 8th semester of the student's eligibility ~~made within the eight semesters when the hardship situation is discovered and~~ not after he/she has completed eight consecutive semesters. In the case of appeals for an exception to the eight consecutive semester rule, the student in question must personally appear before the Hardship Committee to represent his/her appeal and must present the LHSAA with acceptable proof of age. PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution ☒ Administrative Bylaws
Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend: Bylaw 3.4.6

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

3.4.6 A school shall be limited to ~~four~~ five non-faculty coaches per sport excluding football and not more than 24 the following non-faculty coaches total per school year according to classification: excluding football and limited to five non-faculty coaches in football. 5A, 4A - 31; 3A - 29; 2A - 27; 1A, B, C - 25.

A school will be limited to not more than 24 the number of non-faculty coaches prescribed above per school year and will be limited to not more than 6 non-faculty football coaches, unless the school has five non-faculty football coaches and then they will be limited to not more than 25 non-faculty coaches for the year.

Please list ALL bylaws and/or articles that are affected by this amendment:

3.4.6

Explanation of proposed amendment(s):

With the proliferation of non-faculty coaches across the high school landscape, this makes outfitting each program in a school with quality coaches for supervision and teaching more feasible. This proposal also gives consideration to the size of a school when prescribing how many adults are required to properly supervise the total number of student-athletes and programs offered.

Pros: (Must have at least one)

Increase in opportunity for supervision and adult presence across all programs.

Cons: (Must have at least one)

Would cost more money for schools who choose to invest in additional non-faculty coaches.

DEADLINE: Forms are due August 31, 2021. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 23, 2021.

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution

☒ Administrative Bylaws

☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 4.2.9 (8) new

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make **ALL** changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

Bylaw 4.2.9

8. An athlete may participate with an independent team in the sport of wrestling provided that such participation takes place prior to the LHSAA defined first contest date. LHSAA high school teams shall not practice or participate with independent teams or individuals during this designated period.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Moves wrestling from the independent team list into an exception for pre-season.

Wrestling is a unique sport with regards to the weight management program that must be followed. Once the season has begun and a weight management plan has been established for an athlete, it is important to ensure that the weight management plan is followed. Independent organizations like USA Wrestling, AAU, and others do not have weight management programs for athletes like the NFHS requires during the high school season. As a result, athletes may be competing outside their allowed weight class while in-season with no penalty. With that said, it is necessary to not remove wrestling entirely from the independent team list to allow athletes to compete in national pre-season and post-season events where they may be recognized by collegiate programs. Our state is too small for many of our athletes to be recruited if they never leave the state.

Pros: (Must have at least one)

Allows athletes to compete in national pre-season competitions that take place during the month of October.

Cons: (Must have at least one)

Overlaps with the high school pre-season.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution ☒ Administrative Bylaws
☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 4.5.5 new

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

4.5.5 During the three days of the clinic segment of the LHSCA Summer Coaches Convention, there shall be a mandatory dead period where no contact with student-athletes can take place. These dates shall be set by the LHSCA Executive Council each year and shall be placed in the LHSAA Handbook. The dead days includes:

1. A student shall not receive direct or indirect coaching from staff members – including Non-Faculty (CECP) coaches at any time during the dead period on or outside school premises.
2. There should be no group athletic practice either on or outside school premises.
3. There shall be no organized or team weight lifting or conditioning.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

The dead period during the Coaches Convention is proposed to promote attendance by coaches, athletic directors, and administrators who can benefit from professional development opportunities. For those that choose not to attend, it allows for an equitable playing field for all athletic staffs that do attend the Convention.

Pros: (Must have at least one)

Boost attendance at the Convention. Allows for attending professional development opportunities. Attendees can patronize sponsors.

Cons: (Must have at least one)

If the Convention takes place the week after July 4th or the last week of August, it could cause conflicts with summer workouts or the beginning of practice in permissible attire/gear.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution

☒ Administrative Bylaws

☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 6.17.1 (new)

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

6.17.1 Any school that opts out of a post-season football game and removes itself from the non-select or select bracket, shall not participate in a post-season bowl game.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Adds additional language to 6.17 POSTSEASON BOWL GAMES. This would prevent schools from avoiding a playoff game against a "stronger" opponent, thus giving that opponent a bye week on the bracket, to play a bowl game against another opponent that did not make the playoffs.

Pros: (Must have at least one)

Cons: (Must have at least one)

- Does not allow a school to opt out and remove itself from the bracket, causing another school to receive an unnecessary bye in the playoffs.
- Prevents a school from the urge of avoiding an opponent on the bracket to choose playing a "weaker" opponent - that also did not make the post-season - in a bowl game.

PROPOSED ADMENDMENT

Select Amendment Section (2019-2020 LHSAA Handbook): ☐ Constitution

☒ Administrative Bylaws

☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Sections 8.8.1, 8.8.3, 8.8.4, 8.8.5, 8.8.6, 8.8.7, 8.8.8, 8.8.9

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

8.8.1 Pay scales for all officials as detailed in Sections 8.8.3, 8.8.4, 8.8.5, 8.8.6, 8.8.7, 8.8.8, and 8.8.9 shall be reviewed bi-annually and compared to fees paid across Section 3 states. The base Louisiana fee used for each sport is defined as follows:

<u>Sport</u>	<u>Base Fee</u>
<u>Baseball</u>	<u>Certified Umpire</u>
<u>Basketball</u>	<u>Certified Official, 3-person crew</u>
<u>Football</u>	<u>Certified Official</u>
<u>Soccer</u>	<u>Official, 3-person crew</u>
<u>Softball</u>	<u>Certified Umpire</u>
<u>Volleyball</u>	<u>Official, best 3 of 5 match</u>
<u>Wrestling</u>	<u>Official, one official dual meet</u>

The above Louisiana's officials' fees for each sport will be adjusted to the average Section 3 pay based on the most current data available, rounded to the nearest dollar. In each case, any adjustments will be effective for the subsequent school year. In no event will the adjustment for any sport exceed \$10.00 per official. Additional provisions include:

- For sports with multi-tiered officials, i.e., Certified and Registered, and/or Electric Clock Operators (ECO), the percentage change to the above base fees will be applied to all classifications of officials, including ECOs
- For sports with varied crew complements, i.e., 2-person vs 3-person crews, the percentage change to the above base fees will be applied to all officials of all crew complements
- For sports with fees adjusted for playoff and/or championship competition, the percentage change to the base fee would be applied to playoff and championship fees as well

The bi-annual review process will be conducted not later than March 31 of each "review" year with the initial review year established as 2021. Responsibility for collection of Section 3 fee data and the subsequent review, analysis and calculation of adjustments required, if any, will be conducted jointly by the office of the LHSAA Assistant Executive Director, Director of Officials and representatives of the LHSOA Executive Committee. Data supporting any required fee adjustments will be made available to the LHSAA Executive Committee prior to the committee's November meeting.

Proposal to Amend Constitution or Bylaws

The approved pay scales for all varsity contests in all sports are to be applied throughout the state. When contracting officiating services, schools shall not pay more than the approved fees.

Please list ALL bylaws and/or articles that are affected by this amendment:

--

Explanation of proposed amendment(s):

Officials fees for all officials in the sports of Baseball, Basketball, Football, Soccer, Softball, Volleyball and Wrestling are being amended to align all such fees with current fee structures in place in NFHS Region 3, of which Louisiana is a member. The proposed adjustments to all fees are based on bringing Louisiana's high school officials to the Region 3 average fees paid to officials for each respective sport. In cases where the base fee adjustment calculated to achieve the average exceeds \$10.00 per official, the proposed adjustment was capped at a \$10.00 increase.

Pros: *(Must have at least one)*

- Establishes a new fee structure based on comparable and verifiable fees paid officials across neighboring states
- Provides fair compensation to officials which enhances the opportunities to recruit new officials to respond to a continuing trend of shortages among high school officiating ranks

Cons: *(Must have at least one)*

- Costs of hosting athletic contests will increase

DEADLINE: Forms are due August 31, 2019. Email completed form to Kathie Smith at ksmith@lhsaa.org.

PROPOSED ADMENDMENT

Select Amendment Section (2020-2021 LHSAA Handbook): ☐ Constitution

☐ Administrative Bylaws

☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

13.3.3 & 13.4

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

13.3.3 ~~Uniforms and Schools~~ LHSAA member schools who host a high school cross country meet shall not sanction any race divisions for non-member schools, club teams, unregistered or ineligible athletes.

13.4 **Uniforms:** Contestants shall adhere to all articles under RULE 4 – SECTION 3 COMPETITOR'S UNIFORM IN TRACK AND FIELD AND CROSS COUNTRY in the NFHS Track and Field and Cross Country rules book.

Please list ALL bylaws and/or articles that are affected by this amendment:

13.3.3, 13.4

Explanation of proposed amendment(s):

The LHSAA is a 9-12 high school sports organization. While it allows the participation of 7th and 8th graders from member schools under the jurisdiction of the high school principal, these students are competing as high school athletes. Many schools have started to incorporate middle school race divisions in their high school hosted meets at the expense of the high school athletes that would normally compete in the junior varsity and freshman level race divisions. The erosion of the high school cross country divisions has occurred due to many reasons including but not limited to:

- Schools avoiding registering 7th & 8th graders to protect their enrollment and adding non-high school race division to accommodate them.
- Convenience of sharing course administrative duties and timing expenses with middle and elementary schools.
- Fund raising opportunities by inviting non-member middle and elementary schools to participate in the high school sanctioned meet. High school race divisions are eliminated to accommodate the non-member school race divisions.
- High school girls and boys "sub-varsity" athletes lumped together in an open race divisions that are neither time or scored to make way for timed and scored middle and/or elementary divisions.

Pros: (Must have at least one)

- Cross Country meets will better serve LHSAA member school student athletes.
- Provides high school non-varsity athletes an opportunity to represent their high school and appear in published results.
- Provides for an appropriate meet structure which may cater to high school athletes of all levels.
- Assurance that only LHSAA/NFHS member schools are competing against one another.
- Does not prevent member schools from hosting separate middle school, junior high, or elementary meets apart from the high school sanctioned meet.

Cons: (Must have at least one)

- Meet administration costs could increase if chip timing is used and middle schools, junior highs, and clubs are not included.
- Member schools who have separate middle school and elementary school programs must host a separate meet for those students on a different day, before or after the conclusion of the high school sanctioned meet.
- K-8, junior high schools, and elementary schools not under the jurisdiction of an LHSAA principal may have to host their own cross country meets.

DEADLINE: Forms are due August 31, 2021. Email completed form to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 24, 2020.

1. For playoff competition, schools that are classified as select schools shall compete in divisions as determined by the select schools, or a committee chosen from their number. A Select School may choose to compete for postseason play in a division higher than assigned. The declaration to compete in a higher division is sport specific and shall be in effect for two years.

2. For playoff competition, all qualifying, non-select and select schools in 5A shall compete together.

14.11.1 Class 5A, Non-Select Classes 5A, 4A, 3A, and 2A shall be seeded 1-32 and Class 1A shall be seeded 1-24 according to their power rating. All select teams shall be seeded 1-16 according to their power rating.

Please list ALL bylaws and/or articles that are affected by this amendment:

14.3.2, 14.11.1

Explanation of proposed amendment(s):

5A football playoffs would combine all non-select and select schools, which would compete together in the 5A playoffs. The Select Division 1 would no longer exist for the sport of football.

Pros: (Must have at least one)

Allows all 5A schools to play a full, 32 team playoff bracket.

Cons: (Must have at least one)

Fewer total teams would qualify for the playoffs.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.

Proposal to Amend Constitution or Bylaws

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution

☐ Administrative Bylaws

☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 14.11.1

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

14.11.1 Non-select Classes 5A, 4A, 3A and 2A shall be seeded 1-32 and Class 1A shall be seeded 1-24 according to their power rating. All select teams, **with the exception of Division IV** shall be seeded 1-16 according to their power rating. **Division IV shall be seeded 1-24.**

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Class 1A has 24 schools that make the playoff. On a regular basis, 1A has teams that have three wins or less make the 1A bracket that are seeded 17-24. There have been one win and no win schools that have been on the bracket for 1A. Adding eight schools to the Division IV bracket would "mirror" their Class 1A counterparts. Routinely, Division IV will have teams with 5 and 6 wins that do not make the 1-16 school bracket. This provides for equity among the lowest classes on the non-select and select sides.

Pros: (Must have at least one)

Cons: (Must have at least one)

- Division IV and Class 1A brackets would be consistent
- Awards those Division IV schools that played a tougher pre-district schedule to make the playoffs in 17-24 spots on the bracket
- There are no divisions, outside of Division IV, with more than 16 schools, so Divisions I through III cannot say there is a disparity.

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution

☐ Administrative Bylaws

☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 23.6.4

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

23.6.4 The Executive Director shall secure possible sites for the state meet and present them to the Executive Committee for selection. The boys' and girls' outdoor track and field state championship meet for all classes shall be held over a three-day period during the 44th calendar week on the dates listed in Bylaw 23.1, "Important Dates" section. Classes **B₁** and **C₁** and **1A** shall be conducted on Thursday, Classes **1A** and **2A** and **3A** shall be conducted on Friday, and Classes **3A**, **4A**, and **5A** shall be conducted on Saturday.

Please list ALL bylaws and/or articles that are affected by this amendment:

N/A

Explanation of proposed amendment(s):

Allows for state meet administration to run the three smallest classifications on Thursday instead of the three largest on Saturday. Due to LSU graduation falling on top of the state track meet in 2021, LSU administration had to free up space on the Saturday of the state track meet. The three smallest classifications were shifted to Thursday where no graduation was taking place which reduced Saturday during the biggest day of graduation to just 4A and 5A. Consequently, there was a majority of positive feedback with the alternate schedule that may warrant a rule change.

Pros: (Must have at least one)

- Less crowded schedule and space for athletes and spectators on Saturday.
- Allows for additional time on Saturday in the event of a postponement due to weather.
- Allows for some postponement from Thursday to Friday, and Friday to Saturday if necessary.
- Overall positive feedback from coaches in 2021.

Cons: (Must have at least one)

- The Thursday meet may run later than normal which may require some teams to spend the night.
- Fewer LSU officials are available for Thursday requiring the LHSAA to enlist more volunteers for field events.
- A change from the normal schedule.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution ☐ Administrative Bylaws
☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 25.6.3

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

25.6.3 No wrestler may wrestle below his/her eligible wrestling weight class as listed on the Track Wrestling site and the weigh-in sheet for each event. The following penalties have been established for a wrestler or a coach who ~~wittingly or unwittingly circumvents, manipulates, attempts to cheat, or cheats the weight management process or program~~ who wittingly or unwittingly wrestles out of his/her current eligible weight class per Track Wrestling:

Student-Athlete

1. 1st offense: Suspension from the next scheduled competition and match forfeited if wrestled.
2. 2nd offense: Suspension for the remainder of the season including postseason.

Coach

1. ~~A coach who assists in attempting to circumvent the weight assessment process shall be suspended from coaching for one calendar year in Louisiana.~~
2. ~~A coach who fails to produce a pre-match weigh-in sheet and/or alpha master sheet for each weigh-in, varsity or sub-varsity may be suspended.~~
3. ~~A coach who does not record all weigh-ins as required may be suspended.~~

5. ~~A coach who enters inaccurate records to Track Wrestling may be suspended.~~
6. ~~The suspension may be for the next contest, tournament, or the LHSAA State Tournament.~~
7. ~~The LHSAA will determine the duration of the suspension in #2-5.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Establishes two separate penalty structures for the Weight Certification Process and the Weight Management Program.

Bylaw 25.6.3 as it currently exists makes no distinction between the penalties for a wrestler competing in an ineligible weight class and a wrestler who cheats the weight certification process or a coach who enters an athlete in an ineligible weight class and a coach who cheats the weight certification process. At the beginning of the season, an athlete must pass a hydration test, have his/her height measured, and step on a scale that determines his/her lowest eligible weight class. This is the weight certification process. The weight certification process is different from the weight management program, which tells a coach/athlete what the athlete's lowest eligible weight will be. As these are two separate things, they should be penalized separately. The weight management program is a complicated one and it is possible for a coach to make an honest mistake. Suspending a coach for an entire year for a first offense on the weight management program as the current rule stands is overly harsh and harmful to the sport, given the already limited number of coaches in the state. On the other hand, the weight certification process is a simple one. Any manipulation that occurs with the paperwork, hydrations, height, or scale portions of the weight certification process is not incidental and must be orchestrated. It must

Proposal to Amend Constitution or Bylaws

be penalized harshly to ensure people do not attempt to manipulate this process because the process is in place for the health and safety of the athlete.

Pros: *(Must have at least one)*

- Creates two separate penalty structures for the weight certification process and the weight management program.
- Does not overly penalize a coach for a first-time offense.

Cons: *(Must have at least one)*

- Second change in three years for this penalty.

DEADLINE: Forms are due August 31, 2021. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 23, 2021.

PROPOSED ADMENDMENT

Select Amendment Section (2021-2022 LHSAA Handbook): ☐ Constitution ☐ Administrative Bylaws
☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend: Bylaw 25.7.6

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

- 25.7.6 The state tournament's official seeding meeting (Divisions I, II, and III) shall be the Monday night prior to the state tournament. **~~The LHSAA shall be notified of any substitutions no later than 6:30 p.m. at the seeding meeting. After 12:00am the Saturday before the seeding meeting, substitutions SHALL ONLY be allowed for reasons approved by the Tournament Director and individuals already on the roster SHALL NOT be moved. To SUBSTITUTE (not add) a wrestler at a weight class, there must be a wrestler already designated for that weight class. Substitutions shall not be allowed for any reason after 6:30 p.m. the day of the seeding meeting. SUBSTITUTIONS shall be allowed until the conclusion of the coaches meeting the Thursday night before the state tournament. The submitted wrestler(s) SHALL NOT be seeded. To SUBSTITUTE (not add) a wrestler(s) at a weight class, they must be a wrestler already designated for that weight class. Individuals already submitted for a particular weight class in the state tournament SHALL NOT be moved.~~**

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

The substitution rule was initially put in place because the state championships brackets were originally populated during the seeding meeting prior to the state tournament. This allowed for the bracket boards to be printed early with all the athletes' names included. This is no longer necessary as the brackets are not built until after weigh-ins on the morning of the first day of the tournament. Injuries and illness occur during the week leading up to the state tournament, so as long as a team has an eligible athlete at the weight class to be substituted, they should be able to utilize their substitute. Substituted athletes will not be seeded.

Pros: (Must have at least one)

- Allows schools to utilize a substitute prior to the start of the state tournament.

Cons: (Must have at least one)

- 42 State bracket boards must be printed within 24-hours.

DEADLINE: Forms are due **August 31, 2021**. Email completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2021**.
