Subject: 2023 General Business Meeting Voting Results

Date: February 3, 2023

First and foremost, we want to thank all of you and/or your designee that attended this year's LHSAA General Business meeting. We had prepared for the distribution of 418 voting devices and disseminated 374 (89%). Also know, the attendance at the Coco-Cola sponsored luncheon was a pre-covid number at approximately 250. Your attendance and participation did not go unnoticed and is always greatly appreciated.

As been the practice during my tenure as your executive director, accompanying this communication you will find all the pertinent voting result information as it relates to each of the 49 individual items. This information has not been made public but will be posted on the LHSAA website.

Again, your continued communication, collaboration, and cooperation with our offices and the LHSAA Executive Committee is appreciated.
