Legislative Recommendation		

2026-2027 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select) ☐ Constitution ☒ Administrative Bylaws ☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 1.13.2 (new)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

1.13.2 One-Time Student Option: A 9th, 10th, or 11th grade student-athlete will receive a one-time option that may grant eligibility for all levels of athletics for students within or outside their Athletic Attendance Zone. All LHSAA Bylaws, including, but not limited to following the coach, undue influence, academically ineligible, or transferring within sports seasons, shall still apply.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

This Bylaw change would allow students to transfer within and outside their athletic attendance zone one time and be eligible for Varsity. Once a student uses their one-time option, any subsequent transfer to another school would require meeting all LHSAA bylaws and requirements of the LHSAA handbook.

Students who transfer for the following reasons may not be eligible under the one-time option. Those reasons are, but not limited to, undue influence, following the coach, academically ineligible, transferring during a sports season, or any other applicable transfer rules, will not be eligible per current LHSAA bylaws.

Pros: (Must have at least one)

- Addresses legislative recommendation to change transfer rules.
- Displays collaborative effort between LHSAA and State Legislature.
- Allows students the opportunity of a one-time option without losing varsity eligibility.
- All current bylaws still apply (following the coach, undue influence, academically ineligible, or transferring within sports seasons).

Cons: (Must have at least one)

If not passed by membership, it is highly likely that the legislature will put forth legislation that requires this rule to take place.

1.13.2 One-Time Student Option: A 9th, 10th, or 11th grade student-athlete will receive a one-time option that may grant eligibility for all levels of athletics for students within or outside their Athletic Attendance Zone.

Once a student is granted a One-Time Transfer Option, that school shall become the student's school of eligibility and a subsequent transfer to another LHSAA member school, including the student's initial school, shall cause the student to become ineligible for varsity competition for a period of one calendar year from the date of his/her enrollment in the school. All LHSAA Bylaws, including, but not limited to following the coach, undue influence, academically ineligible, or transferring within sports seasons, shall still apply.

Approved under Bylaw 4.4.4 at the May 7, 2025 Zoom Executive Committee Meeting

2026-2027 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select) ☐ Constitution ☒ Administrative Bylaws ☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 1.22.1(1)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

- 1.22.1** A student in 7th and/or 8th grade who participates on a high school team shall meet the same eligibility requirements as a high school student, excluding the scholastic rule.
1. Students who attend schools with shared attendance zones regardless of being registered with a member school as 7th or 8th graders, shall make their school of choice as 9th graders and are immediately eligible at that school of first choice. **EXCEPTION: Any student and parent who has signed the 8th Grade Student Spring/Summer Practice Participation/Tryout Commitment Form.** NOTE: Any 7th and/or 8th grade student who is registered and submitted by a member school on the Members' Only website for the 2023-24 and 2024-25 school years shall be included in the school's 2025 classification enrollment numbers.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 4.4.3 and Bylaw 14.17

Explanation of proposed amendment(s):

Bylaw 1.22.1(1) was passed by the membership and created a conflict with current Bylaw 14.17 by removing the 8th grade participation form. Therefore, this proposal adds the commitment form back into the language in order for a student to participate if they understand that they are confirming the student's school of eligibility.

Pros: (Must have at least one)

Incoming 8th grade students who are not members of your school will have the opportunity to declare their school of eligibility before the 1st day of school.

Cons: (Must have at least one)

If a student declares their school of eligibility and then starts school at a different school eligibility will be affected.

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a **word document** to Kathie Smith at **ksmith@lhsaa.org**. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 4.4.3

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

4.4.3 Schools that share the same attendance zone with another LHSAA school shall not allow any of its coaches to conduct practice and/or strength or conditioning sessions with any middle/junior high school student(s) attending any middle/junior high school located inside or outside the school's attendance zone during the school year unless that middle/junior high is a part of the same member school, ~~or~~ school system's designated feeder school, or the member school has on file the 8th Grade Student Spring/Summer Practice Participation/Tryout Commitment Form signed by one or both parents and student explaining to them that once the student participates in practice/tryouts with that school, that school shall become the student's school of eligibility.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 1.22.1(1) and Bylaw 14.17

Explanation of proposed amendment(s):

Bylaw 1.22.1(1) was passed by the membership and created a conflict with current Bylaw 14.17 by removing the 8th grade participation form. Therefore, this proposal adds the commitment form back into the language in order for a student to participate if they understand that they are confirming the student's school of eligibility.

Pros: (Must have at least one)

Incoming 8th grade students who are not members of your school will have the opportunity to declare their school of eligibility before the 1st day of school.

Cons: (Must have at least one)

If a student declares their school of eligibility and then starts school at a different school eligibility will be affected.

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

Proposed Amendment Changes

6.11.4 Restrictions

- ~~1- A school shall not enter a team in more than one varsity tournament during the same week.~~
- ~~2- A school may enter one varsity and one sub-varsity tournament during the same week.~~
1. Sub-varsity teams are not allowed to participate in a varsity tournament in a sport that uses a power rating system. (Baseball, Basketball, Soccer, Softball, and Volleyball).
- ~~4- After a school has played its first game in a tournament, it shall not play a non-tournament game within the dates of the tournament. Exception: If a tournament game(s) in baseball, soccer, or softball has been postponed because of inclement weather, darkness, or power failure, the game can be made up at the next available date without causing the school(s) to be in violation of this bylaw.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

A basketball summit was held at the LHSAA in May 2025. A result of this meeting led the leaders of the Basketball Coaches Association to ask that schools be allowed to participate in more than one tournament during the same calendar week.

Pros: (Must have at least one)

Schools would be able to play in more than one tournament in a calendar week. This would allow teams to participate in multiple tournaments during the holidays. More schools could host tournaments which would be a financial benefit. This would not increase the number of games a team may play during the season.

Cons: (Must have at least one)

Schools can play as many games in a week as they would like.

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

Proposed Amendment Changes

1.11.14 Special Education Students: Special education students other than those classified as "gifted and talented" shall be eligible if they meet the provisions of the present rule. This rule's purpose is to make athletic programs accessible to students; however, once a student reports for a sport, he/she, like any other student, is subject to earning a place on the team. Special education students shall be evaluated every three years for eligibility purposes. A student shall be placed in a special education program for at least two-thirds of a given semester in order to establish eligibility for the next semester. A regular education student who fails to establish scholastic eligibility shall not become eligible as a special education student until he/she has established eligibility for one entire semester. This provision applies equally to special-education students enrolled at non-public schools, so long as the student would otherwise be entitled to receive special-education services in the public school system. ~~Any (non public) special education student that cannot obtain an active service plan through the LEA would need to attend the scheduled hardship hearing that corresponds with their sport to determine eligibility. The school must submit an Eligibility Ruling request prior to the hardship deadline on any student that qualifies under this category.~~

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 1.3.2 (new) and Bylaw 1.13.3, 1.13.4(2, 3)

Proposed Amendment Changes

1.3.2 9th Grade School of First Choice – A 9th-grade student entering high school for the 1st time shall establish his/her eligibility at any LHSAA school of their choice and shall be immediately eligible for all sports at all levels, unless the student signs the 8th Grade Participation Form. Once eligibility is established, they shall be a bona fide student at the school of first choice, and if a student transfers to another LHSAA school after establishing a school of first choice, then all Transfer Students rules shall apply.

1.13.3 Transfers Within the Athletic Attendance Zone: If at any time a student transfers from one member school to another member school in the same attendance zone, the student shall become immediately ineligible for varsity athletics for a period of one calendar year from the date of enrollment/attendance in the second school. Students **in 10th or 11th grades and** not in their senior year shall remain eligible for sub-varsity athletics. The student may be eligible at his/her school of first choice in the attendance zone. A transfer student will be ineligible for a period of one calendar year at the new school unless he/she transfers under one of the following exceptions:

1.13.4 Outside the Athletic Attendance Zone: Any student who attends a school outside his/her athletic attendance zone shall be ineligible to participate in interscholastic Varsity athletics, but will be eligible for sub-varsity at that school for a period of one calendar year from his/her first day of attendance unless he/she transfers under one of the following exceptions:

1. A student **in 10th or 11th grades and** not in their senior year who is transferring outside his/her athletic attendance zone shall be eligible to participate at the sub-varsity level.
2. ~~The student continuously attended the entire 7th and/or 8th grades at a middle/junior high school of that same member school or school system located outside of his/her athletic attendance zone. The school shall be required to register and certify the student's eligibility status on the Members' Only website.~~
3. ~~Students who have been accepted into a program and attend the school at the first opportunity (9th grade), should be granted full participation after verification of acceptance. Students should meet all requirements of acceptance into the program.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

This Bylaw change would allow students entering the 9th grade to make a first choice and be eligible for Sub-varsity and Varsity. Once a student makes his/her first choice and establishes eligibility, any subsequent transfer to another school would have to meet all LHSAA eligibility rules and requirements set forth in Section 1 of the LHSAA handbook.

Pros: (Must have at least one)

- Students would have the opportunity to select their high school when entering the 9th grade.
- All eligibility rules remain in place for hardships, transfer (after 9th grade), and bona-fide moves.

Cons: (Must have at least one)

- Students would not establish eligibility in their 8th-grade year and could choose to change schools for 9th grade.
- Students would only receive one school of first choice when entering 9th grade.

1.7.1 Once a student passes the initial medical examination and completes an LHSAA Medical History Evaluation Form as required in Bylaw 1.7, he/she shall annually pass ~~a medical screening or~~ medical examination administered by a licensed physician (Doctors of allopathic medicine (M.D.) and doctors of osteopathic medicine (D.O.)), a licensed nurse practitioner ~~that is~~ in collaboration with a licensed physician, and/or a licensed physician's assistant under the supervision of a licensed physician and shall update the LHSAA Medical History Evaluation Form. The LHSAA Medical History Evaluation form is valid for 13 months from the date in which it is performed.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

In response to a recent inquiry about athletic preparticipation physicals, the Sports Medicine Advisory Committee (SMAC) has the following recommendation for LHSAA Executive Committee to consider.

To follow the guidance set forth by the American Academy of Pediatrics regarding preparticipation physical evaluations, which only recognizes healthcare providers as (MD, DO, NP, or PA) as authorized to sign off on preparticipation physicals. This guidance is endorsed by the National Federation of State High School Associations.

Pros: (Must have at least one)

To ensure consistency with the Louisiana Concussion Act, which defines a physician under R.S. 37:1262(2) as a natural person who is the holder of an allopathic (M.D.) degree or an osteopathic (D.O.) degree from a medical college in good standing with the board who holds a license, permit, certification, or registration issued by the board to engage in the practice of medicine in the state of Louisiana. Doctors of allopathic medicine (M.D.) and doctors of osteopathic medicine (D.O.) shall be accorded equal professional status and unrestricted privileges in the practice of medicine. The use of the term "physician" in this Part shall not be construed to prohibit the use of such term by other health care providers specifically authorized to use such term by any other lawful provision of this state.

Cons: (Must have at least one)

The SMAC recognizes Chiropractors (DC) as physicians and considers them a valuable athletic healthcare team member. However, at this time the committee does not recommend permitting Chiropractors (DC) to complete and determine clearance on athletic preparticipation physicals for the high school athletes, in addition to the current permitted healthcare providers (MD, DO, APRN, or PA).

Proposed Amendment Changes

1.26 HARDSHIP PROGRAM - Prior to July 1 each year, the President shall appoint a sub-committee of six member and two alternates from the LHSAA Executive Committee to review and rule on the potential hardship situations of students ruled ineligible **for varsity level** by the Executive Director. After the Executive Director considers requests for hardship rulings, this Hardship Committee shall serve as the appeal board to review the Executive Director's decision(s) made in the original rulings on hardship requests. The committee shall hear and consider each case on an individual or class action basis and shall render a decision based on the merits of each separate case. No case shall have precedential value. The purpose of the hardship rule shall be to provide fairness. The decisions of the Hardship Committee shall be final and, effective July 1, 2011, there shall be no further appeal to the Executive Committee. If a school seeks review of the decision of the Hardship Committee on a student's eligibility to a third- party arbitrator, the procedure be the same as provided under Constitutional Bylaw 4.4.7. If there is no application for third party arbitration, the decision of the Hardship Committee is final, and there shall be no further appeal to the Executive Committee.

Proposal to Amend Constitution or Bylaws II-5

2026-2027 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select) ☐ Constitution ☒ Administrative Bylaws ☐ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaws 3.4.3 & 3.4.4

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

3.4.3 A school shall not allow non-faculty coaches to serve as the head coach in the sports of football ~~and boys' and girls' basketball~~. With written permission from the principal, non-faculty assistant coaches shall be allowed to serve as the head coach and faculty representative of a sub-varsity squad in these sports.

3.4.4 A school shall be allowed to use certified non-faculty coaches as the head coach in the sports of boys' and girls' basketball, baseball, bowling, cross country, golf, gymnastics, powerlifting, soccer, softball, swimming, tennis, indoor/outdoor track and field, volleyball and wrestling.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 3.4.3 & Bylaw 3.4.4

Explanation of proposed amendment(s):

The proposed changes would allow for a certified non-faculty coach to serve as a head coach in the sports of boys' and girls' basketball. This is currently done in the sports of baseball, bowling, cross country, golf, gymnastics, powerlifting, soccer, softball, swimming, tennis, indoor/outdoor track and field, volleyball and wrestling. This would leave football as the lone sport where the head coach must be a faculty member.

Pros: (Must have at least one)

It is becoming more difficult to find certified teachers who are willing to coach and demonstrate the necessary knowledge to coach basketball. If the proposal passes, schools can expand their searches to certified non-faculty coaches.

Cons: (Must have at least one)

This will lead to more coaches not being faculty members, and schools will have to be mindful of who they allow to coach our student athletes. A concern is Bylaw 4.1.1 and the philosophy of the influence of outside organizations' coaches.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

Proposed Amendment Changes

3.4.6 A **single gender** school shall be limited to five non-faculty coaches per sport and not more than 30 non-faculty coaches' total per school year excluding football and limited to six non-faculty coaches in football. A school will be limited to not more than 30 non-faculty coaches per school year unless the school has six non-faculty football coaches and then they will be limited to not more than 31 non-faculty coaches for the year. **A dual gender school shall be limited to five non-faculty coaches per sport and not more than 38 non-faculty coaches' total per school year excluding football and limited to six non-faculty coaches in football. A school will be limited to not more than 38 non-faculty coaches per school year unless the school has six non-faculty football coaches and then they will be limited to not more than 39 non-faculty coaches for the year.** Retired coaches holding a Lifetime card shall not count against a school's non-faculty number.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Currently, single-gender schools are allowed the same number of non-faculty (CECP) coaches as dual-gender schools, despite fielding only half the number of sports teams. This creates a significant competitive advantage for single-gender schools, as their coaching resources are concentrated on fewer teams.

This amendment proposes that dual-gender schools be permitted **8 more non-faculty coaches** (this number is reflective of the number of sports that generally doesn't train boys and girls together i.e.. football, volleyball, boys and girls basketball, boys and girls soccer, baseball, and softball), than is allowed for single-gender schools. This adjustment would help level the playing field by recognizing that dual-gender schools must staff a greater number of teams across both boys' and girls' sports.

The increase accounts for the fact that while some sports – such as swimming or tennis – may have both genders coached together, many others – such as basketball, soccer, and volleyball – require separate coaching staffs for boys' and girls' programs.

By recalibrating CECP limits, this proposal ensures a fairer allocation of coaching resources and more equitable competition between single- and dual-gender schools.

Pros: (Must have at least one)

Athletes at dual-gender schools would have access to the same quality and quantity of instruction as those at single-gender schools. The increased CECP allowance could also enable schools to introduce sports that were previously unavailable due to coaching limitations.

Cons: (Must have at least one)

It may cost dual gender schools more money to hire more coaches.

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

Non faculty coaches put in as much time and sacrifices made as a faculty coach and should receive the same perk and benefit as a faculty coach by allowing them free entrance with one guest also.

Pros: (Must have at least one)

Explanation of proposed amendment(s):

Proposal to Amend Constitution or Bylaws

This amendment would allow high school coaches to hold team tryouts at any point during the school year, rather than being restricted to short timeframes close to the start of the season.

The change would provide several benefits:

- **Improved preparation** – Coaches could select their teams earlier, ensuring that player uniforms and equipment are ordered and ready before the season begins.
- **Enhanced training opportunities** – With rosters set in advance, coaches could implement off-season training programs, giving athletes more time for skill development, instruction, and repetitions.
- **Better opportunities for all students** – Students who are not selected for a team would learn sooner, allowing them to explore other sports, activities, or school programs without spending weeks or months pursuing a roster spot they won't receive.

Overall, this amendment aims to create a smoother start to each season, strengthen athlete development, and help students make informed decisions about their extracurricular involvement.

Pros: *(Must have at least one)*

Allows coaches to pick a time that is the most beneficial for their program and can work around other school events that may occur during the designated time. Also allows them more freedom in case of any weather issues. Students who don't make it can pursue other interests.

Cons: *(Must have at least one)*

Athletes who might need more time to develop might be over-looked.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

Proposed Amendment Changes

10.1 Important Dates

14 days prior to end of Regular Season 40th

Last date to add a game for power rating purposes

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

To back up the date for adding games from 2 days prior to the end of the season to 14 days. Teams have been adding games on the last dates just to manipulate the power point system and it has become a travesty to the game.

Pros: (Must have at least one)

1. To cut down on adding last minute games to manipulate the power rating system.
2. Teams can still make up games that were already on the schedule.

Cons: (Must have at least one)

1. Coaches must have any added games planned much earlier than before and could lose a game if not prepared.

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

Proposed Amendment Changes

10.2.1 Pre-Season:

1. ~~Between the 25th and the 27th week of the NFHS calendar, a school shall be permitted a pre-season evaluation period. The evaluation period shall run from the first Monday of the 25th week to the Friday of the 27th week and is limited to only 20 hours of coach/student athlete contact during that period. There is no restriction on the type of baseball equipment that can be used during the evaluation period. An interschool scrimmage is not allowed during the evaluation. An evaluation period can be used as a tryout.~~ There will be a mandatory two-day dead period on Friday and Saturday of the 28th week for the purpose of allowing coaches to attend the Louisiana Baseball Coaches Association Convention.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 4.1.7 (new) – if proposal passes.

Explanation of proposed amendment(s):

This amendment would allow high school coaches to hold team tryouts at any point during the school year, rather than being restricted to short timeframes close to the start of the season.

The change would provide several benefits:

- **Improved preparation** – Coaches could select their teams earlier, ensuring that player uniforms and equipment are ordered and ready before the season begins.
- **Enhanced training opportunities** – With rosters set in advance, coaches could implement off-season training programs, giving athletes more time for skill development, instruction, and repetitions.
- **Better opportunities for all students** – Students who are not selected for a team would learn sooner, allowing them to explore other sports, activities, or school programs without spending weeks or months pursuing a roster spot they won't receive.

Overall, this amendment aims to create a smoother start to each season, strengthen athlete development, and help students make informed decisions about their extracurricular involvement.

Pros: (Must have at least one)

Allows coaches to pick a time that is the most beneficial for their program and can work around other school events that may occur during the designated time. Also allows them more freedom in case of any weather issues. Students who don't make it can pursue other interests.

Cons: (Must have at least one)

Athletes who might need more time to develop might be over-looked.

Proposed Amendment Changes

10.8.2

In completing the playoff bracket, all other teams qualifying for the state playoffs shall be selected on the basis of the established power rating system. Schools that fail to play 15 contests during the regular season, including district play and tournament games, **will not be eligible for the playoffs. shall be ranked separately using the same ranking system that is used to rank schools that played at least 15 contests or more during the regular season** ~~These schools shall be ranked at the bottom of the bracket and seeded accordingly until all remaining positions on the bracket are filled.~~ Teams that are certified as the first-place representative from the district shall automatically qualify for postseason play from that district. If a district championship is tied, the district must select one champion to qualify for postseason play.

Please list ALL bylaws and/or articles that are affected by this amendment:

1. Teams that don't put an emphasis on baseball do not make the playoffs.
2. All district champions qualify.

Cons: (Must have at least one)

2. A "more deserving" team could get bumped from the playoffs.

RESULT OF CONTEST

ADD

Loss (0 points)

Add 1 point ~~2 points~~ for each Class & Division up

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

To try and achieve power point formula that is more sound. This change was introduced last year with the changing of the amount of points for a win also. It was felt that changing the amount of points for a win was the main reason that the proposal did not pass last year.

Pros: (Must have at least one)

Cons: (Must have at least one)

1. To try to deter power point manipulation of playing up and playing teams that the probability of losing is very high.

1. Some bigger schools may lose some lower Division/Class opponents due to a lack of play up points for the small school.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

11.1

Explanation of proposed amendment(s):

This would move the start date for basketball back by one week. After discussion with the Director of Officials, if the Basketball season is shortened (even by a week), the strain on certified and qualified officials would increase substantially; therefore, lessening the number of games by four would ensure certified and qualified officials.

Pros: (Must have at least one)

Cons: (Must have at least one)

Decrease the conflict between fall and winter sports.

Shorten the season by one week.

2026-2027 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select) ☐ Constitution ☐ Administrative Bylaws ☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 13.5.1, 13.5.6(1), 13.6.1

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

13.5.1 Regional meets shall be conducted in Divisions I, II, III, IV, ~~and V~~, and VI, a minimum of nine days and a maximum of 21 days prior to the state meet to qualify individual contestants and teams.

13.5.6 Qualifying Plans and Special Rules for Regional Meets (Boys and Girls):

1. The top eight teams from each region shall qualify for the state meet in Divisions I, II, III, IV, ~~and V~~, and VI.

13.6.1 The boys' and girls' state cross country meets shall be conducted on Monday and Tuesday of the 20th week of the NFHS calendar. ~~Divisions I, II, III, IV, and V will all be run on the same day.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

To adjust all bylaws in the cross country handbook that reference five (5) divisions going to six (6) to supplement the proposal passed in January 2025 to expand cross country to 6 divisions. Adding Tuesday back to 13.6.1 will give the LHSAA two days to complete all 12 championship races. Currently, as written division VI is not covered in the regional qualifying process and the LHSAA is only given one day, Monday to complete 12 championship races and awards.

Pros: (Must have at least one)

- Having two days to conduct the 12 championships will allow the LHSAA to keep a 9am start time to allow for team and spectator travel.
- Gives division VI a postseason qualifier to be equitable with the other 5 divisions.

Cons: (Must have at least one)

- Tuesday is normally a travel day for those individuals who have qualified for the state swim meet.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

Select Amendment Section: (double click box to select) ☐ Constitution ☐ Administrative Bylaws ☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 15.4.20

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

15.4.20 (Golf): "In girls' play, in all divisions up to a maximum of ~~three~~ four golfers may be entered into a regional or state tournament. The two lowest legal scores recorded each day by the team's golfers shall be totaled to total the teams score"

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 15.4.20 only

Explanation of proposed amendment(s):

This will allow teams to expand participation by bringing a fourth competing golfer to the state tournament. This increase corresponds with the increased playing opportunities and participation numbers on various junior golf tours in Louisiana.

- The statewide Louisiana Junior Golf Tour, operated by the Louisiana Golf Association, has seen its participation numbers and number of events each double between 2020 and 2025.
- The Southeast Louisiana-based Kelly Gibson Junior Golf Tour has seen its girls' participation grow by 10 members since 2021 and has increased its schedule by 4 tournaments.
- The U.S. Kids Golf Tour, with its Gulf Coast tour hosting events in Southeast Louisiana and the MS Coast, was originally for kids 6-12, has now added divisions for ages 13-18 and has become another popular option for competitive girl golfers at the high school age.

The increase in participants does not change the scoring method of two lowest scores recorded each day. It simply increases the opportunity for a few more female golfers to participate in post season competition

Pros: (Must have at least one)

- Increase girls' participation opportunities.
- Make the girls' tournament closer to both the Louisiana Boy's championship (best 4 out of 5) as well as other states' boys and girls golf championships, that nearly all allow 4 or 5 players per team.
- As girls' golf has grown significantly in Louisiana in recent years, this will allow more girls to get valuable competitive experience representing their high school.

Cons: (Must have at least one)

- A marginal increase in costs for bringing an extra competitor.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

Select Amendment Section: (double click box to select) ☐ Constitution ☐ Administrative Bylaws ☒ Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 18.2.1, 18.2.2(1)

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

Proposed Amendment Changes

18.2 CONTEST LIMITS

18.2.1 Pre-Season - A team shall be limited to ~~two~~ three pre-season scrimmages and one Jamboree.

18.2.2 Season: A team shall be limited to the following:

1. ~~34~~ 30 total contests per regular season in any combination of regular season games and tournament games.

Please list ALL bylaws and/or articles that are affected by this amendment:

18.2, 18.2.1, 18.2.2

Explanation of proposed amendment(s):

With extended preseasons the last couple of years, soccer coaches would love to have more preseason contests and less regular season contests. We would also like to test a new power ratings for a future proposal that uses 30 games maximum as part of the formula so this would get us the head start on that. And 34 games is a few too many anyway in todays new scheduling tendencies.

Pros: (Must have at least one)

Helps with preseason lack of contests

Cons: (Must have at least one)

Lowers regular season contests

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

Bylaw 19.1 Important Dates

Explanation of proposed amendment(s):

The proposed amendment would delay the official start of the softball season allowing multisport athletes the opportunity to participate more completely in a second sport should they choose to do so. Currently, athletes who play basketball, soccer, and/or cheerlead (especially at smaller schools) miss out on the majority of preseason and/or, if the school is successful in any of the aforementioned sports, athletes can also miss out on regular season games. Due to the large overlap of winter and spring sports seasons, it has become increasingly difficult to entice athletes to play more than one sport. Schools, in particularly small schools, currently have to delay or cancel games due to lack of athletes still competing in other sports. Delaying the start of the softball season would also give the opportunity for the weather conditions to improve and warm-up.

Pros: (Must have at least one)

- Opportunity for multisport athletes to compete in the entirety of the spring sport season.
- Makes being a multisport athlete more manageable and realistic.
- Improved weather conditions.

Cons: (Must have at least one)

- Possible conflicts with the state tournament and school events (graduation, etc.)

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

Bylaw 4.1.7 (new) - if proposal passes.

Explanation of proposed amendment(s):

This amendment would allow high school coaches to hold team tryouts at any point during the school year, rather than being restricted to short timeframes close to the start of the season.

The change would provide several benefits:

- **Improved preparation** – Coaches could select their teams earlier, ensuring that player uniforms and equipment are ordered and ready before the season begins.
- **Enhanced training opportunities** – With rosters set in advance, coaches could implement off-season training programs, giving athletes more time for skill development, instruction, and repetitions.
- **Better opportunities for all students** – Students who are not selected for a team would learn sooner, allowing them to explore other sports, activities, or school programs without spending weeks or months pursuing a roster spot they won't receive.

Overall, this amendment aims to create a smoother start to each season, strengthen athlete development, and help students make informed decisions about their extracurricular involvement.

Pros: (Must have at least one)

Allows coaches to pick a time that is the most beneficial for their program and can work around other school events that may occur during the designated time. Also allows them more freedom in case of any weather issues. Students who don't make it can pursue other interests.

Cons: (Must have at least one)

Athletes who might need more time to develop might be over-looked.

Proposed Amendment Changes

- 21.3.4 Coaches shall be allowed to instruct their players during regular season matches and regional and state tennis tournaments. ~~Coaching may be done on odd game changeovers and when players split sets. Only the team coach and/or assistant coach shall be allowed to instruct. Only LHSAA registered tennis coaches are allowed to instruct during a match. No team member, parent, or fan is allowed to communicate with a player during a match. Coaching by a team's registered tennis coach is permitted during both singles and doubles play:~~
1. From outside the fence, in between points, as long as "continuous play" is observed and players do not come to the fence,
 2. During the 90-second, odd-game changeover on all matches with the players remaining on the court and the coach remaining outside the fence, and
 3. Between split sets.

Please list ALL bylaws and/or articles that are affected by this amendment:

21.3.4

Explanation of proposed amendment(s):

This amendment serves to clarify the tennis coaching bylaw by specifying that only LHSAA registered tennis coaches are allowed to instruct players during matches. Further, this slightly increases the latitude that coaches have to instruct their players during matches by allowing them to give a small amount of instruction in between points without disturbing the flow of continuous play on the court. Under the current rule, coaches are not allowed to talk to their players unless they are on the 90-second, odd-game changeover. This often leads to coaches not being allowed to coach their players for a significant amount of time, preventing them from assisting their players in making small corrections that are needed during a game.

Pros: (Must have at least one)

Cons: (Must have at least one)

- Clarifies who is allowed to coach during LHSAA tennis matches
- Allows coaches to better instruct their players without disturbing the continuous play of a match.

- Some teams may have more coaches than others.

DEADLINE: Forms are due **August 31, 2025**. Email the completed form as a **word document** to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 17, 2025**.

~~23.3.2 To qualify for a regional meet in its classification, a school (except Class C) shall participate in a district meet prior to the regional meet. In all classes (except Class C) each district shall conduct a meet to qualify regional contestants. Boys’ and girls’ outdoor track & field schools shall compete in Divisions I, II, III, IV, V, and VI. Boys’ and Girls’ track & field shall be divided into six equal or nearly equal divisions. Track & field divisions shall be based on a school’s October 1 enrollment that is certified to the LHSAA under the guidelines of Article 8.3 of the Constitution Enrollment Calculation. Counting to achieve equal sixths shall begin with the lowest and end with the highest track and field school enrollment. All-girl schools shall be included in the counting to achieve equal divisions. All boy schools shall be classified according to their enrollment after the track & field schools have been divided. Schools with equal enrollment that form the dividing line in a division shall play in the lower division. A school may not participate in a division below that mandated by its enrollment. A school may elect to play in a higher division if it submits a written declaration to the LHSAA. The declaration shall apply for the next 2 years.~~

23.3.2(1) Each of the six (6) Divisions shall contain nine (9) track and field-only districts, determined independently of the LHSAA’s basic districts used for team sports. Districts 1 through 3 shall comprise Region 1; Districts 4 through 6 shall comprise Region 2; Districts 7 through 9 shall comprise Region 3. Division V and VI will not contest the 4x800m relay in postseason.

23.3.8 The host of a postseason meet shall comply with the order of running events and contest the field events as stated in SECTION 2 ORDER OF RUNNING EVENTS and SECTION 3 FIELD EVENTS in the NFHS Track & Field Rules Book. There shall be at least a 10-minute time allotment between running events. ~~Exception: Classes C, B, and 1A shall not contest the 4x800-meter relay in the postseason.~~

23.4 DISTRICT MEETS (Boys and Girls)

23.4.1 Boys’ and girls’ track and field teams shall compete in the LHSAA ~~Classification Committee’s~~ Track and Field only assigned districts in Classes 5A, 4A, 3A, 2A, 1A, and B Divisions I, II, III, IV, V, and VI.

23.4.2 Schools within their assigned districts in all classes divisions may qualify individual competitors and relay teams for the state meet. In all classes divisions, each district in outdoor track and field shall qualify the same number of individuals (4) and relay teams (4) to the regional meet, regardless of the number of districts in a region.

Proposal to Amend Constitution or Bylaws

23.4.16 Because many track and field facilities are without lights and, therefore, cannot be used for night competition and because more than one ~~classification~~ division and/or district may be required to use the same facility on the same day, district track and field meets may begin at 1:00 p.m. with the scratch meeting beginning no earlier than 12:00 noon

~~23.4.18 Special District Rules for Class 1A (Boys and Girls)~~

~~For Class 1A schools only, in a district where four or fewer schools participate with a full track team, three individuals shall be allowed to participate in each event. The exception shall be in the relays when only one relay team from each school participates. Schools may enter a maximum of two contestants in each event for individual competitors unless there are four or fewer schools in a district; otherwise, three individuals shall be allowed to participate in each event. The exception shall be in the relays when only one relay team from each school participates.~~

23.5.1 Regional meets shall be conducted in all ~~classes~~ divisions during the week prior to the state meet to qualify individual contestants and relay teams.

23.5.6 The first, second, and third place winners in the individual events and relay teams shall automatically qualify in regionals for the state meet. ~~Classes~~ Divisions shall qualify a maximum of nine contestants in each event from the regional to the state meet. The number of contestants each regional may qualify to the state meet is explained in Bylaw 23.6.21.

23.5.11 **Principal's Regional Meet Committee in All ~~Classifications~~ Divisions:**

23.5.15 Qualifying Plans and Special Rules for Regional Meets (All ~~Classes~~ Divisions- Boys and Girls)

3. Track Surface: Shall be an all-weather surface with a minimum of eight lanes around two turns. For ~~Classes 1A and C~~ Division VI, it shall be a minimum of six lanes around two turns. Lane widths shall be at least 36" (preferably 42"). It is recommended that it shall be marked for use in more than one direction for 100/110-meter hurdles and 100-meter dash.

6. Runways for Jumping and Vaulting Events shall meet minimum lengths specified in NFHS's Outdoor Track and Field Rule Book and shall be marked for use in either direction, except for ~~Classes 1A and C~~ Division VI.

~~Regions by Classification:~~ Remove entire table (page 153 in 25-26 LHSAA Handbook).

23.6.3 In conjunction with the host, the LHSAA shall conduct the state meet at the same site on the same date for all ~~classes~~ divisions in both boys' and girls' outdoor track and field.

23.6.4 The Executive Director shall secure possible sites for the state meet and present them to the Executive Committee for selection. The boys' and girls' outdoor track and field state championship meet for all ~~classes~~ divisions shall be held over a three-day period during the 44th calendar week on the dates listed in Bylaw 23.1, "Important Dates" section. ~~Classes B, C, and 1A~~ Divisions V and VI shall be conducted on Thursday, ~~Classes 2A and 3A~~ Divisions III and IV shall be conducted on Friday, and ~~Classes 4A and 5A~~ Divisions I and II shall be conducted on Saturday.

23.6.10 Each ~~class~~ division shall determine its own individual contestants' and relay teams' qualifying methods from the regional to the state meet. In devising its qualifying plan, a ~~class~~ division shall comply with LHSAA constitutional rules and by-laws and NFHS's Outdoor Track and Field Rule Book.

23.6.11 Each ~~class~~ division shall be limited to a maximum of nine qualifying individual contestants and relay teams in each event from its regional to the state meet.

1. Each ~~class~~ division's schools shall qualify individual contestants and relay teams in each event from the regional meets conducted the week prior to the state meet.

2. Only contestants and relay teams (including alternate contestants) that qualify in a regional meet shall compete in the state meet.

3. All ~~classes~~ divisions' first-, second- and third-place finishers in regional individual and relay events shall automatically qualify for the state meet.

4. If fewer than nine regional meet individual contestants and relay teams in ~~Class C~~ Division VI automatically qualify to the state meet, then to fill the field with nine participants for each event, the state meet coordinator would use the next best time or mark from the three regions reported to LHSAA to fill the event. No school would be allowed to have more than one relay team or two individuals in an event. The best times and marks would be used until each event has nine participants.

5. Each ~~class~~ division shall develop a state meet qualifying plan for alternate contestants and relay teams.

~~6. Class B and C will compete in their class at the state track meet.~~

Proposal to Amend Constitution or Bylaws

23.6.14 Order of Events and Time-Interval Schedule

- The LHSAA shall incorporate the different ~~classes~~ divisions for the boys' and girls' teams into the order of events when formulating the schedule of events for the state meet.
- The boys' and girls' 3200-meter run shall be scheduled after the 200-meter dash, back-to-back, with the 1600-meter relay in each sport alternating with that respective ~~class~~ division.

Example in ~~Classes B and C~~ Divisions VI and V (boys and girls)

<u>Event</u>	<u>Sport</u>	<u>Class</u> <u>Division</u>

- 23.7.9 When competing in the outdoor state track and field meet, all wheelchair participants shall be required to compete on the same day of the meet regardless of their school's classification division. Their points will be added to their team's total before a championship is awarded.
- 23.7.10 Wheelchair participants shall qualify for the district, regional and state meets following the same qualifying procedures as other participants in the same class division. Only four (4) individual events allowed. Qualifying times must be met at the district and regional meets
- 23.8.4 When competing in the outdoor state track and field meet, all para-ambulatory participants shall be required to compete on the same day of the meet regardless of their school's classification division. A para-ambulatory participant shall compete for individual honors only in one open division mandated by meet management. A meet's order of events shall be determined by meet management. The contestant's performances shall not be counted in the meet's overall team scoring.

Please list ALL bylaws and/or articles that are affected by this amendment:

All other sections where classifications 5A-C are mentioned for outdoor track & field.

Explanation of proposed amendment(s):

This proposal restructures outdoor track & field postseason competitions by transitioning from seven (7) traditional classifications to six (6) equal Divisions based on enrollment. Currently, Class 1A includes schools with similar enrollment to Class B and C, but they are separated due to participation in football. This new divisional model removes that segmentation and allows all schools to compete in postseason track & field against schools with like enrollment. It also removes the need for track & field to be restricted by the basic team-sport districting, allowing for new, dedicated track districts that enhance geographic balance and meet management. Reducing from 7 to 6 Divisions will streamline the postseason, making equitable qualifying rounds while maintaining a competitive environment.

Pros: (Must have at least one)

- Creates more equitable postseason competition by aligning all schools into divisions based purely on enrollment
- Ends unnecessary separation between 1A, B, and C schools with the same enrollment levels
- Dedicated track-only districts will improve competitiveness and equity between qualifying events within each division. 21-22 schools per region and 7-8 schools per district.
- Simplifying logistics in postseason while maintaining quality competition.
- Better geographic alignment across three regions of the state
- Creates a legitimate postseason for all divisions and aligns with the 6 divisions in cross country in which membership voted in favor.
- Aligns all sports into Divisions for consistency.

Cons: (Must have at least one)

- Reduces the state championships by one.
- Eliminates historical Classification championships.
- Restarts historical track & field Classification state records. All previous Classification records will be permanently grandfathered while composite records will continue.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

The last day to host a sanctioned qualifying meet shall be Thursday of the 42nd week of the NFHS calendar. Performances from those meets will be populated in a descending order list for each event, region and classification on LHSAA's track & field administrative website.

23.3.2(1) The top 16 individuals on the performance list for each event shall qualify to participate in the regional meet.

23.3.2(2) A 3rd individual from the same school may qualify to participate in the regional meet provided the 3rd individual is in the top 8 of the performance list of that event with the other two teammates. This 3rd entry shall not score any team points; however, they will be able to qualify for the state meet provided a top 3 finish.

23.3.2(3) To be eligible to participate in the regional, there will be a minimum standard for girls of 4'2 and 5'6 for boys in the high jump and 5'6 for girls and 8'6 for boys in the pole vault.

23.3.5 A regular season meet's starting time shall be left to the discretion of the host school. Regular season and non-~~district regional~~ scratch meetings shall not be conducted during a school day. A school shall not participate in a meet conducted during a school day.

23.4 DISTRICT MEETS (Boys and Girls)

~~**23.4.2** Schools within their assigned districts in all classes may qualify individual competitors and relay teams for the state meet. ~~**23.4.3** A district committee shall select a meet host, location, site, set its meet's and starting time by the January LTFCA Coaches' Convention, and conduct its. The district meet shall be held prior to the deadline for qualifying individual contestants and relay teams to the regional meet.~~

~~**23.4.5** A school may enter a maximum of two contestants for individual and one team in each relay event.~~

~~**23.4.6** A district relay winning school may substitute contestants in that event at the regional meet if the substitute's name has been listed on the relay entry form submitted by the district meet director to the regional meet director.~~

~~**23.4.7** Schools may enter alternate contestants until the end of the scratch meeting.~~

~~**23.4.8** At the conclusion of a district meet, the meet director shall immediately do the following:~~

Proposal to Amend Constitution or Bylaws

~~2. Record heights and distances of first, second, third, fourth, and fifth place (if applicable) winners in all field events.~~

~~3. Send the results to the regional meet's director by 10:00 p.m. on the day after the deadline in which the district meet may be conducted.~~

It will be the responsibility of the school that scratches a contestant to notify the alternate school qualifier (next qualifier on the descending order list) and the meet director by 12:00 noon two (2) days 10:00 a.m. on the Monday prior to the regional meet. Schools failing to scratch contestants prior to 12:00 noon two (2) days 10:00 a.m. on the Monday prior to the regional meet shall be fined \$50 per contestant unless a letter from a doctor or the principal stipulates that the contestant was unable to compete due to medical reasons or other unusual circumstances. Scratches to the regional meet are solely the responsibility of the school who is scratching and those shall be emailed to the host school on school letterhead signed by the head coach.~~

23.5.13 Withdrawal from the Meet: If a contestant elects to withdraw from an event or the entire meet, the ~~alternate~~ contestant's school shall notify the regional meet director and coach of the alternate contestant (next qualifier on the descending order list) of this withdrawal no later than 10:00 a.m. on the Monday prior to the meet.

23.5.15(9) Seeding Process: Contestants ~~in qualifying events~~ shall be seeded/flighted according to their ~~district meet times marks on the descending order list~~. ~~If fully automatic time (FAT) is available, all qualifying shall be against time. If FAT timing is unavailable or the timing device malfunctions, qualifiers shall be seeded according to the places they finished in each heat. In all other events, contestants shall be seeded/flighted according to time and/or performance.~~

9.2.1(2) Instructional time exception for district meets would no longer apply

Explanation of proposed amendment(s):

This amendment provides for a new qualification method for the regional track & field meets. The top 16 athletes and relays per event, per region, will qualify for regional meets based on a descending order list compiled from certified meets throughout the regular season. There will no longer be automatic regional qualifiers from the district meets, however the district meets may be certified for those performances to count towards the descending order list. Regional meets will then qualify the top 3 athletes and relays in head-to head competition as normal to the state meet. This proposal also provides the opportunity for a 3rd individual from the same school to compete at the regional meet provided they are ranked in the top 8 of their event. The 3rd individual will not score team points at the regional; however, they will have an opportunity to qualify for the state meet. Minimum standards are also included for the high jump and pole vault to not only provide a goal for those participants, but also to maintain the integrity of this new qualifying event.

Pros: (Must have at least one)

- Allows for the best athletes from a region to have an opportunity to qualify for state.
- Allows an additional athlete from the same school an opportunity to qualify for state.
- Removes a qualifying round from the 3-week postseason.

Cons: (Must have at least one)

- District meets no longer receive automatic regional qualifiers.
- Schools without athletes in the top 16 may not have representation in the postseason.
- Schools must certify their meets with the LHSAA in order to have postseason qualifiers.

DEADLINE: Forms are due August 31, 2025. Email the completed form as a word document to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 17, 2025.

Explanation of proposed amendment(s):

This amendment serves to bring Louisiana's State Wrestling Tournament in line with the rest of the country by adding a qualifying process. Entries to the State Tournament have increased over the past few years to the point where the management of the tournament in an efficient and timely manner has become an issue. Every other state manages entries into its state tournament through a qualifying process. This process will be formulistic, which prevents having to add weeks to the season and will allow coaches to monitor qualifying placement throughout the season in real time.

Pros: (Must have at least one)

- (1) Maintains the current length of the wrestling season
- (2) Increases the efficiency of the state tournament
- (3) Creates consistent bracketing in all three divisions
- (4) Reduces byes in the state tournament
- (5) Decreases time delays in the state tournament
- (6) Decreases set-up and pick-up times for the state tournament
- (7) Decreases the cost of operating the state tournament
- (8) Decreases time out of the classroom for a select number of wrestlers
- (9) Entry fees owed to the LHSAA by schools will decrease
- (10) Opens up more potential venues to host the state meet
- (11) Reduces travel expenditures for LHSAA schools

Cons: (Must have at least one)

- (1) Not every wrestler will qualify for the state tournament
- (2) Entry fees owed to the LHSAA by schools will decrease
