#### Proposed Amendment Changes

~~9.2.2 LHSAA/LHSCA Pass Processing Fee: \$5.00 per card fee shall be assessed each school for each LHSAA/LHSCA card issued.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

9.2.2.

Explanation of proposed amendment(s):

Due to the increase of costs on LHSCA Coaches Convention (Clinic and Golf Tournament); All-Star events; coach's liability insurance; awards and travel for professional development conferences, the cost of the coaches' card will increase from \$50.00 to \$60.00; therefore, the coaches' card processing fee will increase \$1.00.

Pros: (Must have at least one)

Cons: (Must have at least one)

Continues to allow for the benefits that the LHSCA provides its members while matching the rising costs facing the LHSCA - LHSCA Coaches Convention; Current All-Star Games and addition of new all-star games; Liability for Coaches; Awards and Awards events; Professional Development Conferences and other benefits.

Cause for athletic department budget concerns among schools.

The LHSAA shall notify the principal of any school whose head coach is in violation of this rule within three working days of the close of the rules clinic. # Proposal to Amend Constitution or Bylaws III-8

## 2023-2024 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 3.10.3

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

**3.10.3** By written mutual agreement signed by the principals of the two schools, one with a team and the other with no more than two individuals competing in a contest, at any time during the season, may agree on a faculty member or non-faculty coach from either school to act as the school representative and coach for both schools in the sports of bowling, cross country, golf, track and field (indoor and outdoor), swimming, tennis, gymnastics, powerlifting, and wrestling. *Note: This agreement shall only be utilized for a single LHSAA sanctioned contest where the school with one or two athletes is not able to send their registered coach or faculty representative in that sport to monitor those students. All schools participating in an LHSAA sanctioned sport shall have a coach or faculty representative registered in the members' only system.*

Please list ALL bylaws and/or articles that are affected by this amendment:

N/A

Explanation of proposed amendment(s):

Over the years this bylaw has been utilized for a long-term agreement for schools who were not able to find a coach for their respective start-up or pop-up sports team. The initial intent for this bylaw was to allow for a designated supervisor from another school to monitor one or two athletes at a competition if their respective coach or school representative could not be present for whatever reason. This agreement was never meant to be a long-term agreement for a school that does not have a registered coach for a sport with no more than two athletes. If a school plans to participate in a sport, they must register a coach in the LHSAA members site by September 15<sup>th</sup> or prior to the beginning of that specific sport season.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

Clarification that a permanent coach must be registered for each sports program.

Schools must find a coach or faculty representative if they intend to participate in a sport.

**DEADLINE:** Forms are due **August 31, 2023**. Email the completed form as a **word document** to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). 15.4.2 The head golf coach and assistant coaches shall be allowed to coach and/or converse with his/her golfer(s) at any time during the competition. ~~Assistant coaches shall be allowed to coach and/or converse with his/her golfer(s) only from the green to the next tee box and only once all players in that playing group have completed the hole. Example: Once a player of Team A steps onto the tee box to tee off, the other assistant coach(es) of Team A shall have no further verbal contact with their player. The tournament director/committee shall provide some method to identify a coach who is allowed to give advice (armband, neck tag, etc.) Violation of this rule shall be a two-stroke penalty to the individual golfer. The individual golfer shall be disqualified by tournament officials and the coach shall lose coaching privileges for a second offense of this rule. Coaching and/or conversing with the golfers should in no way affect the pace of play.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

15.4.2

Explanation of proposed amendment(s):

This would allow for assistant golf coaches to converse with their golfers at any time on the course.

Pros: (Must have at least one)

Cons: (Must have at least one)

Allows assistant coaches to provide instruction to their golfers and to fulfill their role of "coach". Assists with supervision of golfers on the course.

Schools with one coach may feel it is a competitive disadvantage.

### Proposed Amendment Changes

#### 22.5.10 Qualifying for Field Events:

- In the trials each contestant shall be given three attempts in the long jump, triple jump, and shot put. The seven contestants with the best performances in these events shall qualify for the finals and shall be allowed three more attempts.
- Boys and girls will qualify to compete in the state meet under the following plan:

Pole Vault	Top <del>16</del> <u>12</u> from all qualifying meets
Shot Put	Top <del>16</del> <u>12</u> from all qualifying meets
High Jump	Top <del>16</del> <u>12</u> from all qualifying meets
Long Jump	Top <del>16</del> <u>12</u> from all qualifying meets
Triple Jump	Top <del>16</del> <u>12</u> from all qualifying meets

Eliminates student athletes from the meet.

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 4.4.4

Make special rules to affect the spirit of fair play and good sportsmanship. Any rules or changes in the Constitution or Bylaws made by the Executive Committee after the January annual meeting must be submitted to the membership for ratification at the next annual meeting. Any rules or changes in the Constitution or Bylaws made by the Executive Committee after the January annual meeting that are not voted on or ratified by membership at the next annual meeting shall revert back to handbook status prior to those changes. Only the LHSAA Membership can amend the Constitution as per Article 7.4.2. The actions of the officers and directors of the LHSAA for the calendar year are hereby ratified and adopted.

Please list ALL bylaws and/or articles that are affected by this amendment:

4.4.4

Explanation of proposed amendment(s):

The addition both requires and forces membership to vote and ratify the changes in order for those changes to become permanent. Any rule changes or bylaw changes that are not voted on and ratified would "go away" on sunset of the next January annual meeting.

**Pros:** (Must have at least one)

Addition serves as a checks and balances for any rule changes enacted by the EC under 4.4.4.

**Cons:** (Must have at least one)

Membership would no longer have the ability to "table" items that were enacted by EC under 4.4.4. An up or down vote would be required of membership for all future 4.4.4 rule changes.

**DEADLINE:** Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Article 7.2.2

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

7.2.2 A member school principal may submit written proposals to the LHSAA for consideration at his/her class meeting or the general business session of the annual meeting no later than August 31 each school year. Only proposal timely submitted shall be presented at class meetings or at the general business session of the annual meeting. The principal proposing a rule change must appear before the Handbook Committee to present his/her proposal prior to the Winter Executive Committee meeting date or the proposal will not be considered for vote at the annual meeting. No amendments to the Constitution can be proposed from the floor at the annual meeting. Prior to any author-principal appearing before the Handbook Committee, the LHSAA shall release to membership, or post to the LHSAA website, a copy of all proposals submitted.

Please list ALL bylaws and/or articles that are affected by this amendment:

Article 7.2.2

Explanation of proposed amendment(s):

- Often, proposals could use a few minor changes to make them more palpalbe to membership. However, the current structure doesn't afford ample time for members of the LHSAA to make comments and suggestions to the author prior to finalizing the proposal in front of the Handbook Committee, this change would afford that opportunity.
- The goal of this addition is to give principals the opportunity to proactively express concerns with their peers when there is still time to make small edits to proposals.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

<ul style="list-style-type: none"> <li>• Provides transparency in the Handbook Proposal process</li> <li>• Could lead to less amendments on the floor of the General Business Meeting</li> <li>• Gives membership an opportunity to see the concerns of other schools across the state despite the outcome of the proposal in the Handbook Committee</li> </ul>	<p>Roughly two-week turnaround for the LHSAA to post or send out all of the proposals submitted by the August 31<sup>st</sup> deadline.</p>
---	---

**DEADLINE:** Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

(Note: List all Bylaws within the section selected above that will be amended)

Article 7.2.2

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Article 7.2.2 A member school principal may submit written proposals to the LHSAA for consideration at his/her class meeting or the general business session of the annual meeting no later than August 31 each school year. Only proposals timely submitted shall be presented at class meetings or at the general business session of the annual meeting. The principal proposing a rule change must appear before the Handbook Committee to present his/her proposal prior to the Winter Executive Committee meeting date or the proposal will not be considered for vote at the annual meeting. No amendments to the Constitution can be proposed from the floor at the annual meeting.

- If a member principal writes a proposal to be voted on by the member principals in January and that proposal is deemed unconstitutional or any other reason given that would prohibit the proposal from being added to the Annual meeting agenda, the handbook committee must/shall give an explanation to the principal in writing, why the proposal was deemed unconstitutional. The Handbook Committee shall give guidance to the Principal so the proposal will be deemed constitutional. This would allow member principals to submit proposals where the member principals could vote to approve or disapprove the proposal.

Please list ALL bylaws and/or articles that are affected by this amendment:

7.2.2

Explanation of proposed amendment(s):

Since the handbook committee was formed, proposals have been deemed unconstitutional without feedback to the proposing principal.

Pros: (Must have at least one)

Cons: (Must have at least one)

This would allow all member principals to vote on proposals submitted by other member principals. As a Principals organization, this allows member principals to vote on proposals submitted.

More items on the agenda, but we are doing the work of the association.

DEADLINE: Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

### Proposed Amendment Changes

**1.11.15** Special education students working toward a Career Diploma for LAA1 or high school certificate of completion: Special education students identified and placed according to state regulations, by virtue of the design of their IEP, who may or may not earn the necessary Carnegie units, shall meet the following requirements: (These are the current students who are alternatively assessed under Louisiana Connect or are pursuing a high school certificate of completion pursuant to a specialized individual education program (IEP).) A statement of assurance form shall be completed on each such special education student, including those whose exiting pathway falls under Jump Start Alternate Pathway (Louisiana Connect.) The student's participation in interscholastic sports shall be monitored at regular reporting periods to assure satisfactory progress in the student's IEP individual education program. This form shall be signed by the student's parent(s)/guardian, teacher, and principal and attached to the IEP on an annual basis. A student shall make satisfactory progress through performance and attendance in the student's IEP goals at the end of a semester to be eligible for the entire next semester.

Please list ALL bylaws and/or articles that are affected by this amendment:

Administrative Bylaw 1.11.14 (Special Education Students)

Explanation of proposed amendment(s):

The proposed amendment seeks to clarify that the academic requirements applicable to those special education students not working toward a high school diploma apply to both career diploma and high school certificate of completion candidates.

Pros: (Must have at least one)

The clarification would ensure that special education students working toward a high school certificate of completion pursuant to an IEP are eligible to participate in athletics, so long as the student continues to meet their IEP goals, which would increase access to athletics for those special education students.

Cons: (Must have at least one)

The proposed amendment would confirm eligibility for special education students on a non-diploma track.

DEADLINE: Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 1.12.1; 1.12.2 (renumbered); 1.13; 1.13.4

### Proposed Amendment Changes

#### 1.12 RESIDENCE

1.12.1 Upon enrolling in and (1) attending the first day of classes or (2) prior to the start of school, participating in a contest (scrimmage, jamboree, or game) at an LHSAA member school, a first-year 9<sup>th</sup> grade student shall be fully eligible for all levels of competition. Any subsequent transfer following the student's enrollment and attendance on the first day of classes or participation in a contest shall be governed by Section 1.13.

~~1.12.2~~ 1.12.2 School districts or attendance zones designated by the public-school boards, the federal courts, or the LHSAA shall be used in determining the eligibility under the transfer rule. School bus routes shall not be used in determining eligibility under this rule.

1.13 SCHOOL TRANSFERS - A student shall be considered a transfer student if he/she, after establishing eligibility in a school, changes attendance to another school for any reason. A student will be considered as establishing eligibility when he/she has attended at least one class period or prior to the start of school by playing in a contest (scrimmage, jamboree, or regular season game). A student is considered to have transferred whenever the student changes from that school in which the student was enrolled to any other school regardless of whether the school in which the student transferred or to which the student transfers is public or non-public, member or non-member or whether the high schools are with the same school athletic attendance zone. If a student transfers schools, he/she shall be ineligible to participate in interscholastic athletic competition at any level of play in all sports at the receiving school until he/she has officially withdrawn from the latter school. A transfer student must have been eligible to represent his/her former school academically as well as eligible under any district, school or athletic policy that was in place when the student transferred to be considered for interscholastic athletic eligibility.

1.13.4 Outside the Athletic Attendance Zone: Any A student who attends transfers to a school outside his/her athletic attendance zone shall be ineligible to participate in interscholastic athletics at that school for a period of one calendar year from his/her first day of attendance unless he/she transfers under one of the following exceptions:

1. A first year 7<sup>th</sup> or 8<sup>th</sup> ~~or~~ 9<sup>th</sup> grade student who is transferring enrolls in a school outside his/her athletic attendance zone shall be eligible to participate at the sub-varsity level only if the student has attended the first day of school.

~~2. The student continuously attended the entire 7th and/or 8th grades at a middle/junior high school of that same member school or school system located outside of his/her athletic attendance zone. The school shall be required to register and certify the student's eligibility status on the Members' Only website.~~

\*Renumber sequential bylaws.

# Proposal to Amend Constitution or Bylaws

Please list ALL bylaws and/or articles that are affected by this amendment:

1.12.1; 1.12 (renumbered); 1.13; 1.13.4

Explanation of proposed amendment(s):

Over the past two decades, the increase in charter schools, lab schools, magnet programs, magnet academies, and open enrollment districts has increased to such a degree that now one-half of all LHSAA member schools no longer use designated attendance zones to determine their student population. Article 2.2. of the LHSAA Constitution clearly states that the first core value of the LHSAA is to provide opportunities to Louisiana student-athletes who meet the requisite academic and citizenship requirements. The current eligibility rules run counter to this stated value as first-year student-athletes suffer a loss of eligibility, despite meeting academic and citizenship requirements, for simply opting to attend a school that the Louisiana Department of Education and local school boards permit them to attend. This amendment to the Eligibility bylaws regarding residence will align LHSAA protocol with state and local laws as well as the policies of the Louisiana Department of Education and local school boards by granting full eligibility to all students upon entering an LHSAA member school. This amendment will also bring Louisiana in line with most state associations from NFHS Section III.

Finally, this amendment adds clear protection for all student-athletes by ensuring residential eligibility at the public school in the athlete’s attendance zone regardless of transfer.

Pros: (Must have at least one)

Cons: (Must have at least one)

- (1) Reflects the changes in Louisiana schooling options made over the last two decades.
- (2) Brings residential eligibility in line with stated LHSAA core values.
- (3) Brings LHSAA residential eligibility in line with NFHS Section III state associations.
- (4) Reduces LHSAA executive office time and finances for determining sub varsity eligibility for first year students.
- (5) Provides competition opportunities for first-year students who choose to attend schools in accordance with Louisiana law and Department of Education and local school district policy.
- (6) Protects all student-athletes by providing clear residential eligibility at public school in his/her attendance zone.
- (7) Will increase participation in athletics for lower classifications and divisions.

- (1) Public schools that still use attendance zone policies for enrollment will not directly benefit from the 9<sup>th</sup> grade eligibility portion of this proposal; although they will benefit from the default public school eligibility portion.

**DEADLINE:** Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

# Proposal to Amend Constitution or Bylaws IV-8

Date: 8/29/2023

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Ellen B. Lee		St. Michael High School

## 2023-2024 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 1.13.4(2)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

1.13.4 **Outside the Athletic Attendance Zone:**  
 2. The student continuously attended the entire 7<sup>th</sup> and/or 8<sup>th</sup> grades at a middle/junior high school of that same member school, or the student chooses to continue their faith-based education at a high school of the same denomination of the middle school of which they attended their 7<sup>th</sup> and/or 8<sup>th</sup> grade year(s). The school shall be required to register and certify the student’s eligibility status on the Members’ Only website.

Please list ALL bylaws and/or articles that are affected by this amendment:

1.13.4

Explanation of proposed amendment(s):

Families who have prioritized a faith-based education for their children have been granted full athletic eligibility under the “same school system” rule, and Article 465 before that. The removal of “same school system” in 1.13.4 has denied students, coming from religious feeder schools, eligibility at high schools of the same faith.

This proposal would allow the student-athlete to continue to develop their spirituality, academics, and athletics at a high school of the same denomination.

Pros: (Must have at least one)

Cons: (Must have at least one)

Attending the same middle/junior high school for 7th and/or 8th grades and then continuing to a high school within the same denomination ensures that their faith-based values are consistently reinforced and built upon and provides a strong foundation for the student’s moral and ethical development.

Nonfaith based schools will not benefit from this change

Continuing education at a high school within the same denomination might be more expensive compared to other educational options, potentially placing a financial burden on the student’s family.

DEADLINE: Forms are due **August 31, 2023**. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 14, 2023**.

### Proposed Amendment Changes

**1.13.4 Outside the Athletic Attendance Zone:** Any student who attends a school outside his/her athletic attendance zone shall be ineligible to participate in interscholastic Varsity athletics, but will be eligible for Sub-Varsity at that school for a period of one calendar year from his/her first day of attendance unless he/she transfers under one of the following exceptions:

- ~~A first year 7th, 8th or 9th grade student who is transferring outside his/her athletic attendance zone shall be eligible to participate at the sub-varsity level only if the student has attended the first day of school.~~
- The student continuously attended the entire 7th and/or 8th grades at a middle/junior high school of that same member school or school system located outside of his/her athletic attendance zone. The school shall be required to register and certify the student's eligibility status on the Members' Only website.
- Students who have been accepted into a program and attend the school at the first opportunity (9th grade), should be granted full participation after verification of acceptance. Student should meet all requirements of acceptance into the program.

Please list ALL bylaws and/or articles that are affected by this amendment:

1.13.4

Explanation of proposed amendment(s):

By re-adding the statement "or school systems located outside of his/her athletic attendance zone", the bylaw now allows students in gifted, immersion, and other programs who are told what school they MUST attend in order to receive these services to be eligible for varsity competition when entering the 9th grade. Athletes will still need to provide proof of acceptance in programs through a ruling request for validity. Adding (3.) provides the opportunity for students accepted into academies or other educational programs the opportunity to participate in varsity athletics while still focusing on a certain career path

Pros: (Must have at least one)

Provides equality in athletics for students attending schools there required to.  
Increases the number of participants in athletics for smaller sports.  
Allows opportunities for athletes in sports that may not have Junior varsity teams. (swimming, etc.)

Cons: (Must have at least one)

Potential risk of recruiting violations at an early age.

DEADLINE: Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

1.13.4

Explanation of proposed amendment(s):

Athletes of Teachers with 3 or more years at a school should be allowed to participate in varsity athletics if they arrive at the first available opportunity. A teacher with three years prior service shows that the employee wasn't hired at the last moment just for their child to participate in athletics. Many Students attend the same school as their parents and they should have the same opportunities as a student in the zone.

Pros: (Must have at least one)

Cons: (Must have at least one)

Provides equality in athletics for students attending schools with Parents.  
This can cause better teacher retention in the school systems.

Teachers may take other jobs within the parish that the student may not be able to attend causing the student to have to move back to the zone or stay at the current school.

**DEADLINE:** Forms are due **August 31, 2023**. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 14, 2023**.

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 1.22.4 First-year 8th grade students who take and complete the necessary requirements as outlined by the State Department of Education to receive Carnegie units of credit toward graduation prior to entering the 9th grade shall not have their eight consecutive semesters of high school eligibility affected. ~~if they proceed to the 9th grade the succeeding semester or school year. First year 8th grade students who take and complete Carnegie unit subjects which count toward high school graduation will begin their ensuing eight consecutive semester of eligibility if they repeat the 8th grade.~~

~~Bylaw 1.22.5 Second year 8th grade students who did not take and earn Carnegie units toward high school graduation during their first year in the 8th grade shall begin their ensuing eight consecutive semesters of eligibility if they repeat the 8th grade and take and complete Carnegie unit subjects which count toward high school graduation.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

### Explanation of proposed amendment(s):

These strikethroughs are to further add clarity to the "holdback rule" that principals passed in January. By striking through portions of 1.22.4 and all of 1.22.5 we simplify the rule that as long as a student does not reach the age of 19 prior to August 1<sup>st</sup> that student retains the 8 scholastic semesters of eligibility upon proceeding to the 9<sup>th</sup> grade.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

Simplicity and clarity for the "holdback rule".

Some parents or students may see this as the ability to "hold back" for athletic purposes.

**DEADLINE:** Forms are due **August 31, 2023**. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). 2. Regional Round - Best two out of three series at the home field of the higher seeded team
3. Quarterfinal Round - Best two out of three series at the home field of the higher seeded team.
4. Semifinal Round - Best two out of three series at the home field of the higher seeded team
5. ~~Quarterfinal~~ Semifinal winners shall play for the state championship in a ~~single-elimination tournament~~ best two of three series at a site to be determined by the Executive Committee.

10.11.6 Any division or class that has a bye in their bracket has the opportunity to play an “Exhibition” game with another team that has a ‘bye’ on its bracket. Division IV and V schools that qualify for playoff competition shall be allowed to play a three-game exhibition series during the NFHS 41<sup>st</sup> Week. All exhibition games must be played before their first game in the playoffs.

10.13.2 Division IV and V Quarterfinal winners shall play for the state championship in a single-elimination tournament ~~in all classes~~. Divisions I, II, and III Semifinal winners shall play for the state championship in a best two of three series.

10.13.8 During the week of the ~~tournament~~ State Championships, a participating team shall not practice on the game field during the entire week or until the ~~tournament~~ State Championships is completed. # Proposal to Amend Constitution or Bylaws

10.13.10 From the gross ticket receipts, less the LHSAA Building Surcharge, the LHSAA shall receive 80% of the ticket receipts. The host organization shall receive 20% of the ticket receipts. Each out-of-town team shall be reimbursed 40 cents per mile (map mileage), one way, for travel expenses, and each team shall be paid an \$8 per-player-per-day meal allowance with a limit of 20 players per team. This limit shall also include two coaches per team. Reimbursement shall be based on two days' stay. An exception, however, shall be schools located 150 miles or more (map mileage), city limit to city limit from the city in which the tournament is conducted. Teams traveling more than 150 miles shall be allowed a three-day maximum stay due to travel distance if they remain in the tournament. Each team shall arrange its own lodging.

**Please list ALL bylaws and/or articles that are affected by this amendment:**

**10.1; 10.2.1; 10.11.1, 10.11.4, 10.11.5; 10.13.2; 10.13.3; 10.13.8; 10.13.10**

**Explanation of proposed amendment(s):**

This amendment to the baseball season and playoff structure will allow for Divisions I, II, and III to hold the best two out of three series throughout the entire playoffs while protecting the preexisting schedule for Divisions IV and V. The season will begin two weeks earlier which will result in an extra week during the regular season for Divisions I, II, and III and two extra weeks of the regular season for Divisions IV and V. This will aid baseball programs in reaching the 34-game limit, which remains unchanged, especially in years of poor weather conditions and will allow more flexibility in scheduling. The playoff structure of all classes will now be consistent throughout the playoffs.

**Pros:** *(Must have at least one)*

**Cons:** *(Must have at least one)*

- (1) Extends regular season one or two weeks depending on classification to aid programs in reaching the 34 game limit.
- (2) Allows for more flexibility in scheduling.
- (3) Creates a consistent playoff structure in Divisions I, II, and III by making all rounds of play best two of three.
- (4) Preserves the integrity of the Divisions IV and V playoff schedule and adds exhibition series to avoid long layovers in play.
- (5) Potentially decreases expenditures for travel for State Championship by eliminating day off in between games.
- (6) Potentially reduces class time missed by student-athletes travel for State Championship by eliminating day off in between games.

- (1) Playoff structure of Divisions IV and V remains different than that of Divisions I, II, and III.
- (2) Reduces the number of teams to make State Championship event in Divisions I, II, and III.

**DEADLINE:** Forms are due August 31, 2023. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 14, 2023.

### **Proposed Amendment Changes**

10.3.2

- For playoff competition, Class C shall compete together as one class as approved by Classification.**

Renumber 10.3.2 and 10.3.3

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 10.8-10.10

**Explanation of proposed amendment(s):**

Combining select and non-select Class C would level the playing field for small enrollment Class C schools to compete. Presently Class C and Class B schools compete together which is a big disadvantage to the small schools.

**Pros:** (Must have at least one)

Schools with like enrollments would compete against each other for championship honors. Bringing Class C back together would be a start to putting all Classes back together

**Cons:** (Must have at least one)

Class B schools would have to be placed in one of the other divisions depending on their numbers.

**DEADLINE:** Forms are due **August 31, 2023**. Email the completed form as a **word document** to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). ## 2023-2024 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Bylaw 10.4.4

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

10.4.4 Pitches allowed per day with rest requirements (with the same arm). For any game that is suspended, the pitches thrown in the previous suspended game will NOT count towards the total of 115 pitches per game. Any pitches thrown in the completion of the suspended game, will only count towards the PER DAY Maximum Daily Pitches, not a cumulative total of both days. The normal Required Rest will still apply as normal

Please list ALL bylaws and/or articles that are affected by this amendment:

NONE

Explanation of proposed amendment(s):

To avoid confusion that has taken place in past playoff games that were suspended. There has always been confusion on whether or not the pitches thrown the first day count towards the total of 115 or not. This clears up that pitches throw are ONLY counted on a per day basis, with Required Rest still applicable.

Pros: (Must have at least one)

Eliminates past confusion on how to handle pitches thrown in suspended games in state tournament play

Cons: (Must have at least one)

A pitcher could actually throw more than 115 pitches in a "game", but not in a day.

DEADLINE: Forms are due **August 31, 2023**. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 14, 2023**.

11.3.2

- For playoff competition, Class C shall compete together as one class as approved by Classification.

Renumber Bylaws 11.3.2 through 11.3.9

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 11.6-11.7

**Explanation of proposed amendment(s):**

Combining select and non-select Class C would level the playing field for small enrollment Class C schools to compete. Presently Class C and Class B schools compete together which is a big disadvantage to the small schools.

**Pros:** (Must have at least one)

Schools with like enrollments would compete against each other for championship honors. Bringing Class C back together would be a start to putting all Classes back together

**Cons:** (Must have at least one)

Class B schools would have to be placed in one of the other divisions depending on their numbers.

**DEADLINE:** Forms are due **August 31, 2023**. Email the completed form as a **word document** to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). ### Proposed Amendment Changes

11.6.1(2)  
 2. A team's power ranking shall be the result of the contest, plus 2 points for playing up, ~~plus the district champions will have 1 point added to their total score~~, plus the opponent's wins divided by the opponent's games played, multiplied by 34 or 44 to get the total power points of each game which is then divided by the total number of games played during the season.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Proposal eliminates the point added to district champions overall power point average.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

By eliminating that verbiage, we believe a just and level playing field will be provided and the student-athletes will be better served	District champions are no longer rewarded with the added point.

19.11.8 Teams shall be allowed ~~a maximum number of 24 individuals-~~ a maximum number of 35 individuals to enter. Those 24 must include any/all coaches, players in legal uniforms, managers, trainers and/or statisticians and must be Those 35 individuals to include any/all LHSAA registered coaches and athletes and student managers/statisticians and athletic trainer ~~The individuals-~~ must be listed on the required Team Roster form. Once a Team Roster has been submitted per Bylaw 6.13.6, "Athletic Contest" section, it shall be considered final. Additional tickets shall be purchased at the ticket window for full price. Any additional tickets purchased must enter through the spectator entrance and will not be allowed in the dugout. Only one team bus driver, per bus, will be allowed to enter through the Team Entrance and must have school I.D. Any member school(s) and/or including by not limited to the individuals mentioned above, found in violation of this Bylaw shall be fined under the "Penalty Code" section.

Please list ALL bylaws and/or articles that are affected by this amendment:

**Explanation of proposed amendment(s):**

This will allow more players to enter with the participating team through the team gate and sit in the dugout. The last two years, 5A and 4A teams had to purchase tickets for players on their varsity roster to enter the park because their roster exceeded 24 players.

Baseball is allowed 35 individuals to enter the state tournament.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

More varsity players will be able to enter through the team gate with the team and have that championship experience. The school will not have to purchase a ticket for players on their varsity roster.

Less ticket sales from our student athletes.

23.6.11

4. If fewer than nine regional meet individual contestants and relay teams in a Class C automatically qualify to the state meet, ~~the class may develop a plan to qualify additional individual contestant contestants and relay teams in each event as long as total qualifiers in each event do not exceed nine. then to fill the field with nine participants for each event the state meet coordinator would use the next best time or mark from the three regions reported to LHSAA to fill the event. No school would be allowed to have more than one relay team or two individuals in an event. The best times and marks would be used until each event has nine participants.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

N/A

Explanation of proposed amendment(s):

This change would allow more kids to qualify for the state track meet and would increase competition. The more participants we have the more fans we have in the stands

**Pros:** (Must have at least one)

Allows more kids to compete. Make sure that all events have 9 participants.

**Cons:** (Must have at least one)

It would take some additional time to go through the regional results to fill the events.

**DEADLINE:** Forms are due **August 31, 2023**. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 14, 2023**.

### Proposed Amendment Changes

#### 25.3 GENERAL

25.3.1 **Boys'** Wrestling shall be divided into three equal or nearly equal divisions. Wrestling divisions shall be based on a school's October 1 enrollment that is certified to the Louisiana High School Athletic Association under the guidelines of Article 8.3 of the LHSAA Constitution, Enrollment Calculation. Counting to achieve equal thirds shall begin with the lowest and end with the highest wrestling school enrollment. A school may not participate in a division below that mandated by its enrollment. Schools with equal enrollment that form the dividing line in a division shall play in the lower division. A school may elect to play in the next higher division if it submits a written declaration to the LHSAA by noon on the day of the first classification meeting in a classification year. The school shall play in the higher division for the next two years. **Girls' Wrestling shall compete in a single division.**

25.3.4 Competition in the **boys' divisions** shall be divided into the 14 weight classes as adopted by the NFHS Wrestling Rules. **Competition in the girls' division shall be divided into 12 weight classes as adopted by the NFHS Wrestling Rules.**

25.7.4 **Boys'** Division I, II and III schools **and Girls Division** shall submit their entries through Track Wrestling. All information must be posted on Track Wrestling no later than the state entries due date cited in Bylaw 25.1, "Important Dates" section. Schools failing to post their wrestler(s) information on the Track Wrestling website by 10:00 p.m. on the date cited in Bylaw 25.1, "Important Dates", shall be fined \$100 and their wrestler(s) shall not be seeded.

25.7.6 The state tournament's official seeding meeting (**Boys'** Divisions I, II, and III, **and Girls' Division**) shall be Monday night prior to the state tournament. Substitutions shall be allowed until the conclusion of the coaches meeting the Thursday night before the state tournament. The submitted wrestler(s) shall not be seeded. To substitute (not add) a wrestler(s) at a weight class, they must be a wrestler already designated for that weight class. Individuals already submitted for a particular weight class in the state tournament shall not be moved.

25.7.8 The state tournament shall be a double-elimination tournament in all divisions.

1. Division I shall use a 32-man bracket.
2. Divisions II and III, **and the Girls' Division**, shall use either a 16-man bracket or a 32-man bracket which shall be determined by the tournament director based on the number of entries per weight class.

Please list ALL bylaws and/or articles that are affected by this amendment:

25.3.1; 25.3.4; 25.7.4; 25.7.6; 25.7.8

Explanation of proposed amendment(s):

This proposal will add a girls' division to the sport of wrestling. According to Dr. Karissa Niehoff, the CEO of the NFHS, Girls' Wrestling is the fast-growing high sport in the United States, with a 400% increase in participation numbers over the last decade. As of the time of this proposal, 40 State Associations offer Girls Wrestling as a separate division from the boys, with another 4 states currently in the "Emerging Sports" category. Within NFHS Section III, five of the eight state associations already recognize Girls' Wrestling as a sanctioned, separate division.

## Proposal to Amend Constitution or Bylaws

**Pros:** *(Must have at least one)*

**Cons:** *(Must have at least one)*

<ol style="list-style-type: none"><li>(1) Aligns Louisiana with the national trend by sanctioning the fastest-growing high school sport in the United States.</li><li>(2) Aligns Louisiana with the majority of NFHS Section III Associations.</li><li>(3) Offers greater competition and equal competition in terms of gender to Louisiana's female high school athletes.</li><li>(4) Easily structured as the wrestling community in Louisiana is already set up for a Girls' Division after years of separate girls' wrestling at the club level.</li><li>(5) Unanimously supported by the Louisiana Wrestling Coaches' Association</li></ol>	<ol style="list-style-type: none"><li>(1) The LHSAA will have to fund additional state championship trophies and medals.</li></ol>
