Pitchers

Pitches allowed per day with rest requirements:

- If a pitcher throws 1-30 pitches in a day, no rest is required.
- If a pitcher throws 31 -50 pitches in a day, one (1) calendar day of rest is required before he can pitch again
- If a pitcher throws 51 -75 pitches in a day, two (2) calendar days of rest is required before he can pitch again.
- If a pitcher throws 76 or more pitches in a day, three (3) calendar days of rest is required before he can pitch again.

Example: If a pitcher throws 76 pitches on Tuesday, he cannot pitch again until Saturday – the rest period is determined by calendar days not hours – it does not matter what time a game starts or ends.

The maximum number of pitches that can be thrown in one day is 125.

Click on the **Add** button to add an additional pitcher.

Select Pitcher for this Game and Enter the Uniform #, Pitch Count and then click the Save button to update.
