BirdieFire Walking Scorers:

- From your phone or smart device's web browser enter the BirdieFire scoring group link you are given. (Example: <http://bfire.co/t020> → all letters will be in lower case and if you see this → 0, it is the number zero not a capital letter O. In the example there are two zeros)
- After the code is entered, your group will appear on your device.
- Once play begins, enter the score of each golfer in the group then tap VERIFY SCORES to proceed to the next hole.
- Continue to do this until the final shot has been hit and the round is complete.

Using the BirdieFire App to follow the action on the course:

- Depending on the type of phone / smart device you will either go to the iPhone app store or to Google Play.
- Search for the BirdieFire Fan app and download it to your device.

- Open the app and select Live Scoring, then High School (the button may appear in the middle of the screen or it may be on the bottom of your screen).
- There will be a list of tournaments that come up. Scroll down until you find the LHSAA division you want to follow then tap on that tournament.
- Once you are in the tournament you can follow each player or the team standings

by selecting one of the scoring options by score or pairing or a combo of both.

- The live action can also be followed by going to www.birdiefire.com and clicking on Live scoring, then High School and then scroll down to find the desired LHSAA division
