YOUNGSVILLE – Morgan Guepet of St. Martin’s, the two-time champion in Girls Division II, made a big step toward a third straight title with a five-under-par 69 score here Monday in the opening round of the Ochsner Health LHSAA State Golf Championships.

Guepet posted a 33-36—69 score and holds a six-stroke lead over Arianna Blagrove of Ursuline and Samantha Schultz of Christ Episcopal after the first round over the 5,679-yard par-74 Les Vieux Chenes Golf Club layout.

Blagrove and teammate Ashley Biehl, who carded an 83, teamed for a 158 score to give defending champion Ursuline the team lead going into Tuesday’s final round. That score was good enough for a 13-stroke advantage over Episcopal in second place at 171, while St. Martin’s is third at 172 and Ascension Christian fourth at 175.

Training Guepet, Blagrove and Schultz in the individual chase are Sophia Macias of Episcopal in fourth place at 77 and Peyton Flynn of Ascension Christian in fifth at 79.
