ARTICLE 3: MEMBERSHIP

- 3.1 The membership of the Association shall consist of Louisiana high schools that annually sign an LHSAA Membership Renewal Form, agree to conform to the rules and regulations of the Association, and pay membership dues according to their classification as adopted by the membership.
- 3.2 In matters pertaining to the athletic affairs of a school, the principal is responsible to the Association. All official relations with the school shall be through the principal. The member school principal shall be officially recognized by the LHSAA as the individual who is registered with the Association on the LHSAA Membership Renewal Form submitted annually by the school.
- 3.3 It shall be a school's responsibility to educate its student-athletes, coaches and other appropriate persons on all LHSAA rules, including eligibility rules along with potential penalty rulings that could affect them. Additionally, a school shall be required to monitor its compliance with all LHSAA constitutional articles and bylaws.
- 3.4 Membership in the LHSAA in accordance with the above rules shall be available to both public and non-public schools.
- 3.5 APPLICATION
- 3.5.1 A non-member school desiring membership in the LHSAA may make written application and shall supply the Executive Director's office with all requested information. To become a member of the LHSAA, the school applying for membership shall:
1. Be recognized and approved through the Louisiana State Department of Education (hereinafter referred to as LDE);
 2. Provide the Executive Committee with a true and accurate accounting of its student enrollment in all grade levels;
 3. Have its principal sign an agreement to abide by all LHSAA rules and regulations;
 4. Have a minimum of 75 actual students in the school in grades 9-12. Single gender schools shall have a minimum of 38 students in grades 9-12. The total student population should be evenly distributed between each grade level 9-12. This enrollment shall be based on the school's October 1 enrollment as verified to the LDE in the school year in which the application is to be considered.
 5. Once membership application is approved the new member school must maintain the minimum 75 actual students in the school in grades 9-12. If the new member school does not maintain the minimum number of 75 actual students after its two-year conditional basis, the school's membership will be revoked. *Exemption: All current LHSAA member schools that have been included in the previous last three (3) consecutive classifications and have met all minimum requirements per Classification Criteria Article 8.7 in the 2020-2021 Official LHSAA Handbook.*
- 3.5.2 Before a school can be admitted as a member of the LHSAA, its application shall be approved by a majority vote of the Executive Committee. Applications for membership shall only be considered by the Executive Committee during the spring Executive Committee meeting. A school shall not be allowed to join the LHSAA at any other time. A school shall be classified according to its enrollment. If accepted, a school's membership shall not become effective until July 1 of the next school year. A new school joining the LHSAA shall also be governed by the following requirements:

1. All new membership application shall be accepted during the fall of a reclassification school year (odd number years). Example: Applications shall be accepted between August-December 2023, 2025, and 2027.
2. A school may be admitted into the LHSAA on a conditional basis until the school is placed into a district. A new school can only be placed in a district in a reclassification year. During the conditional period, a school is subject to having its membership revoked if it is penalized for a flagrant rule violation or three other rule violations.
3. Any school applying for membership shall have its administrators, athletic director, and head coaches, attend a mandatory meeting conducted by LHSAA officials that fully reviews and explains all eligibility rules and regulations of the Association. Any administrator, athletic director, or head coaches who does not attend the mandatory meeting or who accepts one of the listed positions at the school during the one-year probation period shall be required to complete the online LHSAA Handbook Certification class or enroll, complete, and pass the LHSAA/NFHS Online Fundamentals of Coaching Course.
4. All written contracts, schedules, and agreements to participate in an invitational tournament which shall also serve as a contract in all sports shall be signed by the school principal during this conditional period.
5. Upon being accepted for membership, a school shall pay dues based on its current year's classification.
6. During the conditional period, a school and/or student(s) shall not be considered for postseason play in any branch of athletics.

I understand the principal must appear before the LHSAA Executive Committee to represent the school's application for membership.

I hereby acknowledge as the representative of this high school that membership in the LHSAA constitutes an agreement to conform to the rules and regulations of the association as adopted by the membership in accordance with Article 3 of the constitution of the Louisiana High School Athletic Association.

I certify that the information contained in the application is true and accurate to the best of my knowledge.
