Media Policies & Procedures

Our objective is to provide a first class, professional environment for working media and to provide extensive, hospitable services during state tournaments. We recognize the difficulty of covering the state championships, and we acknowledge the rights and responsibilities of bona fide media representatives as they cover and report on these events. The LHSAA appreciates the positive publicity our schools and athletes receive as a result of your work.

Reputable news-gathering organizations will understand the need for the LHSAA to have the following policies and procedures for media attending and covering our state championship events.

Please note that the following policies apply only to competitions conducted by the LHSAA member schools during the LHSAA state championship events. Failure to comply with the following policies and procedures will result in your outlet having its credential privileges revoked by the LHSAA.

Unless otherwise agreed to in writing by LHSAA, LHSAA is the owner of the rights to and the copyright holder of all LHSAA audio-visual work, which includes all still photographs taken of LHSAA events, all film, videotape and audiotape of LHSAA events and the live audio and visual broadcasts of LHSAA-sponsored events. Still photography, filming, videotaping and audio recording is prohibited at LHSAA events, except as expressly and specifically authorized by LHSAA. All video, broadcast and title rights for LHSAA-sponsored events are the exclusive property of LHSAA. The selling or redistribution of photographs, film, videotape, and audiotape from LHSAA events for personal or commercial gain is strictly prohibited without the express written permission of LHSAA, and discovery of any unauthorized distribution will result in the revocation of credentials and/or possible civil damages.

Media Credentials for State Championships

All credentials must be worn and displayed at all times and are only to be used by (A) full-time and/ or significant part-time employees. Those employees (B) must be 18 years or older and (C) must be in a legitimate working capacity. LHSAA media credentials are not for the use of children, sponsors, friends, family, spouses, parents, or other individuals not representing a legitimate media outlet.

The LHSAA will use a number of criteria to determine if state tournament credentials will be granted. Reasons for a denied credential application include, but are not limited to:

1. Lack of sustained coverage of high school sports
2. Lack of sufficient bona fide news content
3. Lack of editorial oversight
4. Social media webpages
5. Internet sites associated in any capacity with drugs of any kind, alcohol, tobacco, gambling of any kind, and any advertising considered in poor taste or not in compliance with the mission of interscholastic athletics as determined by the LHSAA.

For regular-season events, media shall contact the host school's athletic department. For sectional, district, and regional games media shall contact the site manager or the appointed media coordinator. For state tournament games, media credential requests must be submitted to the LHSAA by using the official credential application form. See below for more details on official credential application.

Note: Please visit [LHSAA.org](https://lhsaa.org) → News & Media → 2023-2024 Media Credential Application. The deadline to apply for media credentials varies per LHSAA State Championship sporting event, **check the credential application form for those deadlines.**
