LOUISIANA STATE QUALIFYING

RANKWRESTLERS

2026-27 SEASON

STATE TOURNAMENT - FEB 12-13

Louisiana coaches use RankWrestlers to see the qualifying cut line. Rosters and results come from TrackWrestling. State-entry weight classes will follow - there is nothing for coaches to re-enter or change here.

Each wrestler will stay in the weight class selected by the school in TrackWrestling. RankWrestlers is read-only.

STEP 3

ENTRIES LOCK

At the posted deadline schools finalize state-entry weights in TrackWrestling. RankWrestlers remains read-only.

QUALIFIERS PER WEIGHT CLASS

THE BOARD IS LIVE NOW WITH PRESEASON RANKINGS.

Rosters begin with last season's returning wrestlers. Transfers and incoming wrestlers appear after schools post their 2026-27 rosters in TrackWrestling. This preseason board uses ranking weights until state-entry weights begin flowing from TrackWrestling; coaches cannot move wrestlers between weights in RankWrestlers.

The qualifying board order is the RankWrestlers ranking and cut line, not the tournament seed. LHSAA sets seeding separately. The board is visible only to Louisiana coaches and LHSAA staff. Questions: admin@rankwrestlers.com
