After check-in, teams will be directed to the gym to be staged according to [LHSAA's Order of Entry](#). Prior to entry time, one designee from each team will be permitted to enter the pool area to acquire space for their respective team. At entry time, teams will be permitted to enter in order and navigate to their acquired space.

Tickets will be sold exclusively at gofan.co/app/school/lhsaa, \$11.50 per ticket. Physical tickets will not be sold at the venue on the day of the event. Printed tickets will not be accepted. Visitors must show a mobile device to redeem tickets. Tickets are valid only for one session. Re-entry will be denied once a ticket is redeemed.

SPECTATORS/SEATING

Spectators will be allowed to enter the venue one hour prior to each session's start time. There will be no reserved seating in the pool area. Teams as well as spectators will not be allowed to leave items (ex. banners) in a designated area in order to reserve seats. Spectators unassociated with any team's "area" will not be asked to move.

FINALS ROUND QUALIFIERS

500-yard freestyle events will compete as timed finals. All participants, excluding the top 8, will compete on prelims day, with the top 8 competing exclusively on finals day.

Scratches are to be reported prior to race time to ensure full heats.

Any swimmer who does not achieve the qualifying time in the preliminaries or the finals in an event may not score points in that event in the state meet (LHSAA Rule 20.6.3).

AWARDS

NFHS/LHSAA RULINGS

NOTABLE NFHS RULES

The 2026-2027 National Federation of State High School Associations (NFHS) swimming & diving rules will govern the conduct of the meet plus LHSAA handbook rules pertaining to swimming & eligibility.

Per NFHS Rule 2-7-3, backstroke ledges are permitted by state adoption in high school swimming. Ledges will be available to swimmers familiar with such equipment, but their usage is optional.

It is recommended all team members wear identical suits. Decent appearance is required.

Conduct of coaches, participants, and managers: some areas will be restricted to coaches and swimmers. All participants and spectators must honor these areas.

All competition will be held at the deep end of the pool.

PROHIBITED ITEMS PER LHSAA BYLAW 6.24

Artificial noisemakers, including but not limited to items such as bells, horns, drums, jam boxes, amplifiers, and/or megaphones, shall be prohibited in any indoor facility while an interscholastic contest is being played. Artificial noisemakers do not include items providing warm up music under team supervision or instruments used by an organized stage or pep band if approved by the host principal. Authorized pep bands shall not be permitted to play at any time or in any manner while the ball is "alive."

Laser beam light devices are prohibited at all LHSAA contests.

A coach, player, and/or bench personnel is prohibited from throwing/placing any foreign substances on the competitive surface and out-of-play areas (including locker rooms, hallways, press rooms, etc.) prior to, during, and/or after playing of any game. Substances to include but not limited to all liquids, powders, confetti, glitter, dirt, sand, grass, and streamers. Programs not adhering to the **prohibited items bylaw** could be fined up to \$250.00 per incident.

PROTESTS

Any protest of an event must be presented in writing within 30 minutes following the conclusion of the event to a member of the meet committee. The committee will be composed of the meet referee, meet director, two meet officials, and an LHSAA representative, to be determined by the meet referee during warm ups.

Once a formal protest is submitted in writing within the permitted timeframe, the committee will meet and render a decision in writing to the coach of the school who presented the protest. The committee's decision will be final. Honorable protests are those perceived to be a misapplication of swim rules. All officials' decisions are final and not subject to protest.
