STEP 3: At this step, he/she will be asked to select the Principal and Head Coach from a drop down menu. If there is not a Principal or Head Coach listed, that means no one is registered on the LHSAA member site for that position at your school. Next, he/she will have to add the athletes he/she wishes to enter into the state tournament. Only athletes that are registered will appear. If your athletes are not on the dropdown, you will need to meet with your principal or AD to ensure your student is properly registered and submitted to the LHSAA tennis roster. If the student has participated prior to being registered and submitted, you need to self-report to Adam MacDowell at amacdowell@lhsaa.org to avoid additional fines and sanctions. Once this is completed and the form is signed and dated, he/she will have the option to submit or save the entry form. **Final UTR's will be sent to each Regional Director for the seeding meetings.**

Once the entry form is submitted, a new one cannot be created, your lineup and financial form will be official, and an invoice will be generated and emailed to the principal.

STEP 4: The principal will then have the option to save/print a PDF version of the invoice **or** pay online via ACH payment through the LHSAA payment portal. Online payment must be completed by **Tuesday, April 14, 2026**. If the school chooses to pay by check, it must be made payable to the LHSAA and sent by **certified return-receipt mail with the invoice**. If you do not receive a tracking number from the post office, you have not mailed your check correctly and may incur a fine. It must be postmarked no later than **Tuesday, April 14, 2026**.

Mail all checks to:
LHSAA
C/O Jessica Barber
12720 Old Hammond Hwy.
Baton Rouge, LA 70816.

The entry form will open on Monday, March 30, 2026, and close Tuesday, April 14, 2026. Schools will only be able to submit one form, as that will be the school's official lineup. This form cannot be changed prior to the regional tournament.

SUBSTITUTIONS: There can be up to 4 alternates for both boys and girls. Any alternate can substitute for any player prior to regional play. However, Lineups cannot be changed. A doubles or singles player that is taken out for a substitute shall not participate in the regional tournament and cannot be used as a substitute on a doubles team at the state tournament. After regional play, an alternate may substitute only for a player on a doubles team at state. The alternate must come from the list of alternates as presented to the regional director. Each participant must meet all LHSAA eligibility requirements.

REGIONAL TOURNAMENT BYLAWS

21.4 SCORING

21.4.1

The point system shall be used to decide overall team honors in tournaments.

1. A school shall be credited with one point per winning match in boys' or girls' competition.
2. No entry shall count as a bye. One point shall be awarded for a bye only if the team wins the next match.
3. Two points shall be awarded to a player winning a second match and having a bye in the first round in both regional and state competition.
4. If a team is "entered," the entry shall be official. If a team fails to compete after entering, one default point shall be awarded to the other team in the bracket. The other team shall not have to win the next round match to be awarded this point.
5. If the LHSAA declares a team ineligible prior to the start (posted time of team's event) of a tournament, or after play has started, the entry becomes a "no entry" and is treated as a bye.

21.4.2 Tie Breaker

Ad scoring shall be used for regional and state competition. No-Ad scoring may be used in inclement weather. A 12-point tie breaker shall be used in all regional and state tournament matches when the score is tied in a set of six games all. The first player who gets 7 or more points with a 2-point advantage in a 12-point tie breaker shall win the set.

21.4.3 Penalty System

1. A point-penalty system shall be used in all matches as follows: first – point; second – game third – default (based on consultation with the tournament director and/or referee).
2. The point-penalty system shall be cumulative during the match. Doubles' players shall be penalized as a team not individual players.

21.8.2 Uniforms

Players on the same school team competing in boys' or girls' regional/state tournament shall be attired in the same color shirts and the same color pants or shorts; the pants or shorts may be a different color from that of the shirt. Players shall not be allowed to wear blue jeans or "cutoff" shorts. The same color shirts shall be worn by all team members the entire first set; a member may then change shirts with the referee's approval. A player that is not in compliance with this rule shall not be allowed to compete in the regional/state tournament.

REGIONAL / STATE TOURNAMENT FORMAT/ DISPUTE RULES

The regional tournaments will be a maximum of three matches per day. In all rounds prior to semis, if sets are split, a ten point tie-break will be played in lieu of a third set. In semi-finals and finals, matches will be best two out of three sets.

If there is a score discrepancy, a request for an official can be done by either the player or the player's coach. Parents cannot request an on-court official.

The time between matches will be up to one hour from the officials recording of the conclusion of the previous match played for singles and 30 minutes for doubles. Tournament table officials should report this to the player. It is the head coaches or their designees' responsibility to know the start times for their players. ***USTA regulation - Juniors***
