All play will begin at 8:00am off of the first tee except for Division I which will tee off at 12:00pm. |
| Qualifying for State | <p>To participate in the state tournament, a golfer shall be a member of a team that qualifies to the state tournament from the regional tournament in his division, or he shall qualify as an individual medalist at the regional tournament.</p> <p><i>Definition of Team:</i> In boys' play, in all divisions, a maximum of five golfers may be entered into state tournament. The four lowest scores recorded each day by the team's golfers shall be totaled to determine team score.</p> <p><i>Definition of Medalist:</i> A medalist may be a member of an official LHSAA team or an individual golfer from a school that does not have enough golfers entered into the state tournament to field a team.</p> |
| State Tournament Withdrawals | If a school or individual medalist that qualifies for the state golf tournament wishes to withdraw, the school's principal SHALL submit a signed statement to the LHSAA Executive Director requesting not to be entered into the tournament ASAP after the completion of the regional tournament. If properly notified within the 24-hour deadline, the team and/or individual player with the next lowest score from the same regional tournament may be substituted prior to the pairings being set. If a school fails to withdraw its team from the regional tournament after the pairings have been set and the team withdraws, forfeits, or fails to show up for the tournament, then the school may be fined \$200. |
| State Tournament Format | The state tournament shall consist of two rounds of 18 holes for a 36-hole competition. |

| | |
|-------------------------------|---|
| <p>Inclement Weather</p> | <p>If competition is interrupted due to darkness, inclement weather, or any other valid reason as approved by the tournament director/committee, if possible, the competition shall be completed the next day from the point of interruption. If this is not possible, due to the availability of the course or other valid reasons as approved by the tournament director/committee, if one round of 18 holes of play is cancelled because of inclement weather, the state championship shall be determined by the recorded scores after one 18-hole round. If a round of play is cancelled because of inclement weather before all competitors have completed play on that day the entire round shall be:</p> <ol style="list-style-type: none"> 1. Cancelled if this occurs on the first day of play. 2. Cancelled if this occurs on the second day of play and the first day of play has been completed. 3. Suspended if this occurs on the second day of play and the first day of play has been cancelled because of inclement weather and shall be completed on the next playable day that is approved by the Executive Director. 4. If one 18-hole round of play is completed on either day one or day two and every player in the competition completed the same nine holes on the other day of competition, then those nine holes will be computed into the team and individual scores to get a 27-hole total recorded to determine the state champion. |
| <p>Pairings and Tee Times</p> | <p>Please note that NO pairings and tee times for the LHSAA Boys' and Girls' Golf Tournaments will be made public and posted until <u>ALL 12</u> regional events have been completed and scores have been reported.
